Class Photos/Year 6 Leavers Photos

INSET Days (School Closed)  
Friday 6 March 2026  
Monday 1 June 2026

### Prayerful Reflection – 28th January 2026

This week, our worships have focused on sharing our strengths. We have talked about how working together is often the best way to achieve things! We looked at the story of Moses as inspiration.

**Exodus 4:12**

“Now go; I will help you speak and will teach you what to say.”

Dear God,

I know that each of us have unique and special strengths. May we share these with each other, encouraging and building each other up, so that we can all succeed.

Amen

### Working Together: Attendance & Wellbeing

As we move through the winter months, we know that coughs, colds, and seasonal illnesses can make this a more challenging time of year for children.

We fully appreciate the care you take in monitoring your child's health and ensuring they are well enough for school.

At the same time, we want to emphasise how important regular attendance is, not only for academic progress, but also for building confidence, resilience, and strong friendships. Children learn best when they are in school consistently, surrounded by their peers and supported by their teachers. Even short periods of absence can mean missed learning, disrupted routines, and feeling less connected to the classroom community.

Coming to school regularly helps children:

- Build resilience by working through challenges and routine tiredness, which are normal parts of everyday life.
- Strengthen friendships and social confidence through daily interactions with classmates.
- Make steady academic progress, as lessons connect and build upon each other.

We are here to support you. If your child is experiencing ongoing health issues, or if you are unsure whether they are well enough to attend, please feel free to contact us, we are always happy to discuss concerns and provide guidance.

Thank you for your continued support in helping your child make the most of every opportunity. Together, we can ensure that they have a positive, successful, and connected school experience.
