

Our Christian Vision & Values

Loved by God: United in Learning

At Bishop Aldhelm's, our vision and values underpin everything that we do. We are a dynamic and forward-thinking school, part of the Body of Christ within the Anglican tradition. We are passionate about enabling everybody associated with our school to become confident, resourceful and resilient members of society, able to flourish within our local, national and global communities.

VALUES

We collect **Bishop Bonds** when we demonstrate our school values; we are very proud of these!

Courage

Unity

Love

Creativity

Respect

THEOLOGICAL UNDERPINNING

The Parable of the Good Samaritan has been chosen by our school community to represent our mission as a school. We seek to support each other, to love our neighbour and to value our differences, recognising that these are what create our diverse and strong community.

Dear God, Father, Son and Holy Spirit,

May we be **creative**, have **courage** and show **respect**.
Teach us to work in **unity** and share your **love** with others.
Help us to live by these values every day.
Hear this prayer from all our hearts,

Amen

Looking inward, how does this make you feel? What do you think about this event, issue or cause?

How does this affect others? How might they be feeling? How might they choose to act?

SPIRITUAL LANGUAGE

What does this mean for the world?

Having a shared spiritual language helps us to reflect on moments and events together.

Does this make you think of anything greater than/beyond the world?

We seek to encourage children to question and reflect upon the world around them, supported by our spiritual language: **self**, **others**, **world** and **beyond**.
