Dear Parents and Carers,

We are excited to be holding a Dream Jobs Day at school on Thursday 16th July. This special event is designed to spark children's curiosity about the world of work and help them begin to understand the abundance of different roles and opportunities available to them in the future.

We believe it is so important for children to see and hear about a wide range of careers, as this helps to broaden their horizons, raise aspirations, and inspire them to think about what they might like to achieve.

As part of the afternoon, we would love for the children to have the opportunity to be immersed in the world of music. I have reached out to several bands in the local community; however, unfortunately, I have not had any responses.

Therefore, I am writing to ask whether any Bishop Aldhelm's parents are musically talented or know of any musicians who would be willing to come in and share their talent with the children on the afternoon of 16th July at around 1:45pm by performing.

Your support would be hugely appreciated and would help us to create a truly memorable and inspiring experience for the children.

If you are able to contribute, please contact the office with your information and I will get back to you.

Thank you very much for your continued support.

Kind regards,

Miss Samuel
