Dear Parents/Carers

We would like to let you know that school reports are now available to view on DCPPro.

If you set up your DCPPro account last year, you should be able to log in and access your child's report without any issues. However, some parents/carers have told us that the DCPPro app is unexpectedly asking for an activation code. This code is normally only required when first creating your account. There are a few reasons this may happen, such as switching to a new phone or reinstalling the app.

If DCPPro is asking you for an activation code, please email office@bishopaldhelms.poole.sch.uk and we will obtain a code for you.

Thank you for your patience and support.

Kind regards,

Bishop Aldhelm's Primary School
