

ADVENTURE AWAITS

To celebrate a fantastic year in Year 1, we have planned an adventure day on **Tuesday 21st July!**

The children will be transforming our classrooms into sea, safari and spa day adventures! The children will be able to dive into a range of exciting activities such as sandcastle building, beach cafes, creation stations and a relaxing spa.

To help your child enjoy the full experience, **please send in a towel labelled with their name** that they can use during our spa day, which will include gentle hand and foot massages using child-friendly cream and peel off nail varnish! To celebrate a great day, we will also have ice-lollies! It is a lovely way to wind down after all our hard work!

In order for your child to join in with these activities, the online consent form must be completed...[Year 1 Spa Day - Fill in form](#)

It's going to be a fun-filled day to remember and a lovely way to end the term.

Kind regards,

Year 1 Team
