## How to use google classroom

Please take a picture of the homework and then upload it onto Google Classroom. We can't wait to see it!

Here's how...

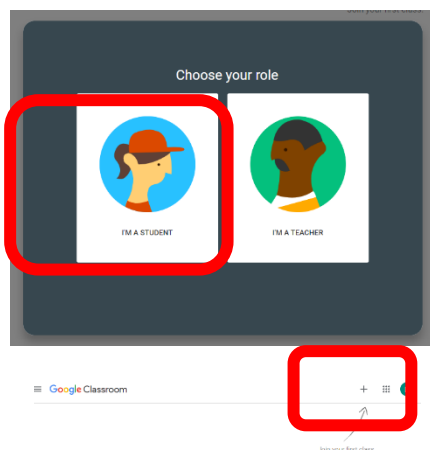

Type in your school email address.

18initiallastname@bishopaldhelms.poole.sch.uk

For example and email for John Doe would be
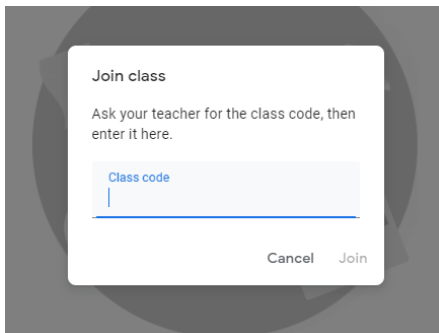

18jdoe@bishopaldhelms.poole.sch.uk

Password : red-1234
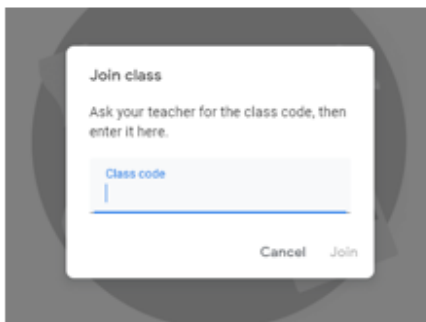

You need to select student.

Click the + sign

You need to enter your class code. Each class code is **different** so make sure you are only adding one code and it is for the correct class!

2AD –Class code   f4z57va

You need to enter your class code. Each class code is **different** so make sure you are only adding one code and it is for the correct class!

2LS –Class code   5ge22p7

2LC
YEAR 2
Class code
dwor52u
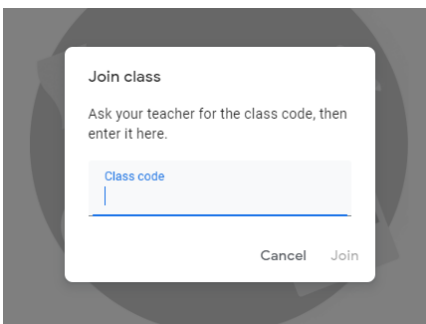

You need to enter your class code. Each class code is **different** so make sure you are only adding one code and it is for the correct class!

Once you have joined, it will come up with your class name. On here, you can share any work you are proud of this will allow your class teacher and other members of your class to see.
