## POST 16 ACTIVITIES @ UNIVERSITY OF WARWICK FOR YEAR 12

**Pathways at Warwick** is an engaging two year programme that gives students practical advice about university and the workplace in a particular sector, with the overall aim of leaving students feeling inspired and more confident about their future.

Students interested in a career in Law, Banking & Finance or Engineering will have access to academic lectures, employer engagement, CV and personal statement support in their retrospective stream. The programmes are two years long, starting in year 12 and finishing in year 13.

**For more information and how to apply ....Download our brochure via this link: <https://bit.ly/3hGv8jO>**

### Pathways to Law

Pathways to Law is a programme that looks to inspire and support students to explore a range of careers in law and build essential knowledge, skills and

The programme was established in 2006 by the Sutton Trust and the Legal Education Foundation, with generous support from our partner law firms and is the largest initiative of its nature. Pathways to Law was developed to widen access to the legal profession, as research by the Sutton Trust had shown that the top echelons of the professions were drawn from a narrow range of social backgrounds. The programme aims to raise students' aspirations and allow them to make informed decision about their future career. **For more details: <https://bit.ly/3kpzeyx>**

### Pathways to Banking & Finance

Pathways to Banking and Finance is a programme that aims to inspire and support students to explore a range of careers in the banking and financial sectors, including accountancy, investment banking, tax and asset management. It has been developed to widen access to the financial sector following research which showed that 51% of leaders in the profession came from a narrow range

### Pathways to Engineering

Pathways to Engineering provides academic and sector-specific support for

At this point we will transition to a mixed delivery format where in person events run alongside the resources on Sutton Trust Online. You can still look forward to academic sessions, opportunities to hear from employers within the sector and support with writing personal statements. You will also have the opportunity to explore whether Engineering is the right path for you, and build the essential knowledge, skills and confidence required to go on to higher education and the world of work **For more details: <https://bit.ly/2ZRxwts>**

## Spotlight on... Taster Events

Our Spotlight on... events give students a taster of a subject and help them to understand what studying at university is like. Our virtual events will give students a taster of what it is like to study at university in the current times. Students will explore the blended learning approach that the University is using through a mix of real recorded lectures, live workshops, and Q+A sessions.

Spotlight events are designed to complement the curriculum and widen your students' understanding of the subject area. Depending on subject, virtual events can include a mixture of:

- lectures
- seminars
- workshops
- campus tour
- careers and employability
- an opportunity to meet and talk to current students.

Here at Keble College we are excited to announce the launch of West Midlands Webinars, a new series of online sessions run by Cambridge and Oxford Colleges for Year 12 students at state schools or sixth form colleges in the West Midlands.

The webinars are suited for anyone who hopes to apply to competitive universities: if you're a high-achieving student (aiming to get above AAA at A Level), intellectually curious and ambitious, these webinars will be a great start for your university journey.

To attend these sessions, you will need to complete the application form .

Please note, if you would like to attend Webinar 1, you will need to complete the form via this link by Monday 19th October: <https://bit.ly/3dfgUFW>

If you are offered a place on the programme, you will be emailed ahead of each session with further information and a registration link. These webinars will take place after school (all final times/dates will be confirmed once you have been offered a place). You are not obliged to attend all sessions.

## Programme

**Webinar 1: Introduction to Oxford and Cambridge:** Newnham and Oriel Colleges  
21 October 2020, 5-6pm

**Webinar 2: Applying to Oxford or Cambridge:** Sidney Sussex and Keble Colleges  
5 November 2020, 5-6pm

**Webinar 3: Study Skills and Supercurriculars:** Girton and St John's Colleges  
30 November 2020, 5-6pm

**Webinar 4: Q&A with current Oxford and Cambridge students**  
2 December 2020, 5-6pm

## Selection

To apply for this programme, you must be attending a state school or sixth form college in the West Midlands. We would like to support as many students as possible through the programme. However, if it is oversubscribed, we will prioritise students who match one or more of the following criteria:

- Have lived, or are currently living, in local authority care
- Are eligible, or have been eligible within the past six years, for free school meals
- Are a refugee
- Have caring responsibilities for a family member
- Live in neighbourhoods with low overall progression rates to higher education
- Have no parental history of higher education
- Have a disability

## What is a webinar?

These sessions will be run using Zoom webinar software. When you register to attend a webinar-style session, you will then be sent a Zoom link which will allow you to join the event. Your camera/microphone will not be enabled, and you will only be able to communicate with the hosts/panellists running the session by typing out questions or comments.

### Virtual Fair - South West, West Midlands & Wales Fair

**Wednesday 21st October 2020 -**

**Event Time: 12.00 - 18.00**

Join us for our incredibly special online and interactive UK University Search Virtual Fair. The event will feature universities, apprenticeship providers and colleges from across the UK, as well as ten live webinars on essential topics such as UCAS personal statements, clearing, and student finance.

This event is especially for students, teachers and parents from the West Midlands, South West of England, and Wales.

We have designed an amazing online experience to allow you to explore a huge range of post-18 options. Our Virtual Fair will feature a wide range of exhibiting universities including Russell Group, red brick, modern and specialist institutions. This incredible event will enable you to visit exhibition stands and chat to representatives, view information and videos, download prospectuses and take part in live webinars in the virtual auditorium.

The event is completely free of charge to students, parents and teachers. We know the cancellation of open days and recruitment events, and changes to exams and admission procedures has made choosing your next steps more difficult. This fair is designed to provide you with everything you need to make the right decisions. We look forward to welcoming you to the event.

Please see the video below (which we created for our June virtual event) to find out how to get the most out of your visit.

## Webinar Timetable

We'll be hosting 10 live webinars throughout the day on Wednesday 21 October, with representatives from universities, colleges and apprenticeship providers talking you through a range of topics and answering your questions. These will take place in the Auditorium, which you can access from the lobby or by using the navigation bar. We recommend catching the topics you're interested in live so you can take part in the Q&A chat; but you can easily catch-up on any sessions in the Auditorium after they've aired too. The webinars will be available to view 24/7 until Wednesday 4 November, so feel free to log back in another time and catch-up or re-watch.
