NEW THIS WEEK...NEW THIS WEEK...NEW THIS WEEK...NEW THIS WEEK...NEW

**Apply now for the
Sutton Trust US Programme**

What is it?

The **Sutton Trust US Programme** is designed to support students from state schools across the UK to explore US study and access leading universities. It includes two virtual residentials before all students spend a week in the US staying on campus at a leading US university and visiting a variety of other American universities. Please note that the health and safety of our young people and our staff takes top priority. This may mean we need to adjust our plans, and possibly deliver US weeks in a virtual format. If you are accepted onto the programme we will provide further details regarding US weeks.

An optional second year of the programme supports students to apply to US universities alongside their UCAS options.

For interested applicants, parents, and teachers we are holding an informational webinar on **Wednesday, 19 November** at 4:00pm. If you would like to attend you can register here: <https://bit.ly/3mZs700>

In the past nine years, we have helped more than 400 British students get places and funding at top US universities.

How much does it cost for students?

The programme is free for students. All costs are covered by the programme – including travel, food, accommodation, admissions test preparation and more.

Who are we looking for?

To be eligible to apply, students must:

- Currently be in Year 12 in England and Wales, S5 in Scotland or Year 13 in Northern Ireland
- Attend, and have always attended, a state-funded school or college i.e. non-fee paying
- Not hold US citizenship
- Be from a low or middle income family (generally, this will mean a household earning £45,000 or less)
- Be interested in US culture and higher education

In addition, we are looking for students who:

- Would be the first generation of their family to attend university
- Have been eligible for Free School Meals
- Attend a school or college with a below-average A Level or Higher point score and/or a low rate of progression into higher education
- Have attended schools with a lower than average progression to higher education, or a higher than average proportion of students who qualify for Free School Meals
- Live in a neighbourhood with a low rate of progression into higher education and/or a high level of socio-economic deprivation
- Have excellent GCSEs or S4 qualifications. This means you have achieved at or close to the following: In England and Northern Ireland: at least eight GCSEs at grade A or 7 or above, or near this level. In Wales: at least eight GCSEs at grade A or above, or near this level. In Scotland: at least six B passes at National 5 or above, or near this level.

The more of these you meet, the more likely you are to get a place on the programme.

When is the deadline for students to apply?

Students must submit their application by **17 January 2021**.

However, we strongly advise they get started earlier, as the application form requires some thinking!

When is the deadline for school references?

Students must nominate someone at their school to fill out a reference alongside their application.

School references are due by **21 January 2021**.

Where can I find out more and apply?

There's lots more information on our website: <https://us.suttontrust.com> and the application form can also be found there.
