A Level Paper 2: Human Geography	1 hour and 40 minutes	25th May 2021 Period 1 and 2	- Global systems and global governance - Changing Places
None Exam Assessment: Geography Fieldwork Investigation	1500 words (approximately)	Final Deadline Friday 30th April 11am	- Section 1 only

Which exam board?

- In Geography we follow the **AQA** exam board.

What revision resources do students have?

- A Bishop Challoner Revision booklet for each topic.
- A checklist for each unit of work.
- The recommended revision guide for the AQA exam.
- Banks of practice questions
- Class notes and booklets.
- Key vocabulary lists

Additional Resources students could access at home or in the school library:

- Seneca – an online revision tool that helps students revise and practice exam questions.
- The Bishop Challoner Geography Twitter account – **@BCGeogDept**
- Kerboodle – all students have access to online geo-files and an online textbook.
- www.alevelgeography.com – a useful revision website.
- Royal Geographical Society – a guide to the coursework element of the course.

What are the best ways for students to revise Geography?

- Summarising key content or concepts (flash cards, mind mapping topics, bullet pointed notes).
- Practising exam questions. All students now have banks of questions in which have been carefully planned to meet the requirements of the course. If students are in a position to answer all of these questions by the start of April then they will be in a very strong position.
- Testing one another verbally or by a parent / carer. Going through the revision checklists or using the knowledge organisers students could test one another on key content. This is particularly useful for helping remember key facts for case studies.
