Bishop Challoner Catholic College Publication Scheme on information available under the Freedom of Information Act 2000

The governing body is responsible for maintenance of this scheme.

1. Introduction: what a publication scheme is and why it has been developed

One of the aims of the Freedom of Information Act 2000 (which is referred to as FOIA in the rest of this document) is that public authorities, including all maintained schools, should be clear and proactive about the information they will make public.

To do this we must produce a publication scheme, setting out:

- *The classes of information which we publish or intend to publish;*
- *The manner in which the information will be published; and*
- *Whether the information is available free of charge or on payment.*

The scheme covers information already published and information which is to be published in the future. All information in our publication scheme is either available for you on our website to download and print off or available in paper form.

Some information which we hold may not be made public, for example personal information.

2. Aims and Objectives

The **aims** of our school are clearly set out in other policy documentation; set out in the School Prospectus and on the school website. The Governors and staff work together to pursue those aims. This publication scheme is intended as a means of showing, where required, how we are pursuing these aims.

3. Categories of information published

The publication scheme guides you to information which we currently publish (or have recently published) or which we will publish in the future. This is split into categories of information known as 'classes'. These are contained in section 6 of this scheme.

The classes of information that we undertake to make available are organised into four broad topic areas:

- *School Prospectus* – information published in the school prospectus.
- *Governors' Documents* – information published on the school website and in other governing body documents.
- *Pupils & Curriculum* – information about policies that relate to pupils and the school curriculum.
- *School Policies and other information related to the school* - information about policies that relate to the school in general.

4. How to request information

If you require a paper version of any of the documents within the scheme, please contact the school by telephone, email, fax or letter. Contact details are set out below.

Email: enquiry@bishopchalloner.bham.sch.uk Tel: **0121 444 4161** Contact Address: **Bishop Challoner Catholic College, Institute Road, Kings Heath, Birmingham B14 7EG.**

or you can visit our website at www.bishopchalloner.org.uk .

To help us process your request quickly, please clearly mark any correspondence

“PUBLICATION SCHEME REQUEST” (in CAPITALS please). Please note that if this is not done, then your email may not be identified as an information request and this may lead to a delay in the request being met. If the information request is made during a time outside of school hours or during school holidays, we will try to acknowledge the request as soon as practicable, but be aware that there may be a delay in the information being provided.

If the information you are looking for is not available via the scheme and is not on our website, you can still contact the school to ask if we have it.

5. Paying for information

Information published on our website is free, although you may incur costs from your Internet service provider. If you do not have Internet access, you can access our website using a local library or an Internet café.

Single copies of information covered by this publication are provided free unless we inform you otherwise. If your request means that we are required to carry out a lot of photocopying or printing, or pay a large postage charge, or is for a priced item such as some printed publications or DVDs we will let you know the cost before fulfilling your request.
