Grow throughout life Grow throughout life by learning and reflecting on yourself, your background, and your strengths.	Explore possibilities Explore the full range of possibilities open to you and learn about recruitment processes and the culture of different workplaces.	Manage career Manage your career actively, make the most of opportunities and learn from setbacks.	Create opportunities Create opportunities by being proactive and building positive relationships with others.	Balance life and work Balance your life as a worker and/ or entrepreneur with your wellbeing, other interests and your involvement with your family and community.	See the big picture See the big picture by paying attention to how the economy, politics and society connect with your own life and career.
