Work for each subject on your son/daughter's timetable will be added on a daily basis and will be clearly labelled with the date it is required to be completed.

Despite the recent confirmation that public examinations will be cancelled for May and June we will continue to set work for our **Year 11 and 13 students**. Some staff will be communicating directly by **email** and work will be sent via this means, others will utilise the **website** so it is important that pupils check both on a daily basis.

Students who do not have access to online resources at home will receive work by other means, please contact school and advise us if you have not done so already.

Should you have any concerns regarding work during the closure please contact your son/daughter's Head of Year on the email address detailed below-
