

Collective Prayer - February 11th

Today is World Sick Day. As we pray, we remember those who are affected by the global pandemic. Also, it is the Feast of Our Lady of Lourdes. On this day in 1858, Mary appeared to Bernadette in the grotto in Lourdes. The first of eighteen apparitions.

Lord God, we celebrate the feast of Mary, Our Lady of Lourdes, the sinless Mother of God. May her prayers help us each day. We ask for her graces and humility to be with us each day. You appeared to Bernadette the Grotto. We open our hearts to your love. Amen.

“Behold, I am the handmaid of the Lord. May it be done to me according to your word.” Luke 1:38
