

Collective prayer - June 21st

Almighty God,

We are surrounded by your creation, last summer we saw first hand the effects humans have on global warming, with pollution globally decreasing.

Inspire us to love the world and all of your creations. encourage each one of us to do our part to protect the environment around us.

Amen

The flowers appear on the earth; the time of the singing of birds is come, and the voice of the turtle is heard in our land;
