

Collective prayer - June 28th

Jesus,

You have offered us a place in your kingdom; you will prepare a place for us in heaven. Give me the strength to live honestly and faithfully so that I may join you in your kingdom.

Be with us in our life & forgive us for our sins.

Amen.

And if I go and prepare a place for you, I will come back and take you to be with me that you also may be where I am.
