

General

Measures put in place by school

- No visitors are allowed on our school site without a prior appointment, this includes parents/carers.
- We will be offering before and after school clubs. Further information will be circulated to students upon return in September. All clubs will take cognizance of the social distancing and hygiene guidance outlined in this letter.
- Parents/carers are urged to read our behaviour policy appendix available on the school website via <https://www.bishopchalloner.org.uk/catholic-college/about/policies>
- The usual school rules on use of mobile phones still apply.
