

BISHOP CHALLONER CATHOLIC COLLEGE

GEOGRAPHY DEPARTMENT PRAYER

Heavenly Father, guide us to understand the world you created, help us to explore it, to keep it clean and to enjoy it.

Allow us to acknowledge and appreciate our surroundings, and help us to be grateful for where we live.

Navigate us to strive for the greater good in this world and help us to respect its beauty.

Help those who are less fortunate due to natural or human disasters, and help everyone to live in peace.

Guide us to recognise ways in which we can use our knowledge and understanding to do something wonderful in Your name.

Amen.
