

Intro to Higher Education

WHAT WE WILL COVER

1. What are your options?
2. Why university?

**What could your next
steps be after Sixth
Form?**

Progression

- You all chose to do A-Level/Vocational courses to give yourself more options in the future.
- The further you progress, the more options you will have.
- Each stage is important and will help you with your future career.

Options After Year 13

- **Higher Education:**
 - *Foundation degree*
 - *Undergraduate degree*
- Apprenticeship
- Employment without training
- Employment with training
- Gap Year
- Study Abroad

Benefits of University

I DON'T KNOW WHAT I WANT TO STUDY...

- 80% of employers don't ask for a particular degree subject
- The job market is competitive

Research – Where can you learn more?

- Lots of information this term through form time sessions and other events
- Unifrog
- University Open Days
- University Websites
