Ash Wednesday

This day marks the start of the Lenten period leading up to Easter, when Jesus was resurrected.

During these services ash made from blessed palm leaves from last year's Palm Sunday. The ashesleaves symbolise both death and repentance as they are placed on our foreheads in the shape of a cross.

'Ashes to Ashes, dust to dust' Genesis 3:19

During this period, we focus on repentance and mourning for our sins, in respect and thanksgiving for Jesus' sacrifice.
