Year 13 Mini Mock Examinations

Dear Parent/Carer

- Year 13 Mini Mock Examinations will take place between **Monday 20th October - Wednesday 12th November**.
- A second more substantial Mock examination period will take place **Monday 6th January - Friday 17th January**

The majority of these mock examinations will take place in classrooms and will be completed under formal examination conditions.

A mock examination timetable is available to view on the website along with revision topic guidance from each subject area. ***Please make sure your son/daughter refers to this information as it will help them enormously and complement any preparation that has already started in lessons.***

For these mock examinations please note the following:

- Students need to ensure that they are punctual for each of their mock examinations, with the correct equipment.
- Students will follow their normal school timetable unless they have a mock examination that clashes with a timetabled period.

Please take time to discuss mock examination preparation work with your son/daughter.

I would like to take this opportunity to wish your son/daughter every success with these practice assessments. With thorough preparation and organisation, students will be in a position to produce encouraging results in readiness for the summer examinations.

As always, please do not hesitate to get in touch if you have any concerns or queries.

Best wishes
