WWW.NATIONALUNIVERSITYWEEK.CO.UK

National University Week is here for 2022!

Whether you're considering moving away from home, keeping your study local, or you're simply not sure whether university is the right path for you; this week is the perfect opportunity to directly ask universities and students alike about university life, friends, courses, living, career prospects and everything in between!

Sign up to be a part of the biggest online university event in the UK!

STAY IN TOUCH!

Join us to celebrate women in industry

23rd June 2022 is Women in Engineering Day. During this week we will be showcasing a range of careers celebrating women in industry, with a range of opportunities for your young women. From construction to energy, these sessions will offer exposure to a range of careers across a variety of sectors. Click the logos below to find out more about each session.

Discovery Workshop

21st June
9:00am-10:00am

Women in construction

Construction is not just for boys, meet some of the women at Willmott Dixon working in the construction sector.

Discovery Workshop

21st June
11:00am-12:00pm

Women in utilities

This is an opportunity to meet some of the women who work at Cadent, from IT to engineering and our newest area of Hydrogen.

Discovery Workshop

22nd June
11:00am-12:00pm

Women in digital forensics

Join our Discovery Session, to meet some of the women working at SYTECH and learn about the varied roles they do.

Discovery Workshop

22nd June
2:00-3:00pm

Women in the rail industry

Join this session to hear from female colleagues at different stages of their careers, presenting their journeys to inform and inspire young people.

Discovery Workshop

23rd June
10:00 - 11:00am

Women in engineering

Join this session to find out about how women can start their career within the engineering business by studying at university.

Discovery Workshop

23rd June
11:00am-12:00pm

Women in sustainable energy

This workshop will look at green skills, renewable energy and construction and showcase how women are making a difference in our business.

SPEAKERS
for schools

Get set to experience:
**Leading your own
marketing campaign**

5th - 7th July 2022

We are SFS Media, set to be the most-loved UK youth media agency. We work with universities, employers and commercial brands to deliver a multimillion pound operation every year.

We are giving all young people on this work experience a chance to learn, build and run your own marketing campaigns across TikTok, Snapchat and Instagram.

Our budget and your creativity come together to meet the brief for a nation-wide campaign. Working in teams, you will take on different roles and work together to live the experience of marketing life first hand.

This is going to be epic and we want you to be a part of it.
Come join us for a first of a kind work experience! Apply now. 

This placement will run from 5th - 7th July and is suitable for ages 14-19.

Speakers for Schools Proudly Presents Summer Fest '22

Why practice mindfulness?

- Understand that stress is a natural response to a challenge
- Pay attention to your thoughts and emotions with kindness
- Transform your anxiety into actions you can take to meet the challenge

 mind

[FIND OUT MORE ABOUT MINDFULNESS](#)

YOUNG MINDS

fighting for young people's mental health

It is normal to feel a bit worried about exams, especially if you're under pressure from school or family. Exam stress can cause you to feel [anxious](#) or [depressed](#), and this might affect your [sleeping](#) or [eating habits](#).

Be kind to yourself

Think about all the things you have achieved so far. It can be helpful to write a list of all the things you like about yourself, and the things other people value about you too.

If people around you - like your parents or family - are putting pressure on you, it can help to tell them what you feel able to achieve, and let them know that your expectations are different to theirs. You could also talk to a teacher you trust about the pressure you are under at home.

**A GUIDE FOR YOUNG PEOPLE
DEALING WITH EXAM STRESS**

Top 10 Revision Tips

Rise and shine

Starting your revision by 9am will help you get into a routine that you can stick to.

Breakfast

Having breakfast before revising is vital as it helps you to concentrate for longer.

Log off

Switch off all devices, a five minute peek at Facebook turns into an hour so easily. Use internet time as a reward on a break.

Past papers

Past exam papers are a perfect way to get used to exam pressure. Time yourself and use past papers to improve your confidence.

Get colourful

Keep your notes organised and bright. Use different fonts, pens and diagrams. Colour coding your areas also helps.

Stick to the plan

Make a revision timetable, it will help you prioritise your areas. Plan for different ways of learning (mind maps, essays, fact cards)

Take breaks

Take a short break (5-10 minutes) after every half hour - It's important to get away from your work area. Adding breaks into your timetable is vital.

Teach

If you are confident with a subject, teach it to your friends and they can do the same for you.

No last minute revision

Cramming 10 minutes before an exam doesn't work, planning your time and working hard does!

Breathe!

You'll be great!

7 Ways to **STOP** Panic Taking Over During an Exam

by @inner_drive | www.innerdrive.co.uk

- 1. TAKE SOME DEEP BREATHS**
This will help clear your head and give you time to think.
- 2. RE-READ THE QUESTION**
This will help ensure you don't misread the question and avoid making sloppy mistakes.
- 3. THINK BACK TO YOUR REVISION**
Have you answered similar questions previously during your revision?
- 4. WHAT WOULD YOUR TEACHER SAY?**
What advice would your teacher give you to help you right now?
- 5. SOMETHING IS BETTER THAN NOTHING**
Better to guess the answer than leave it blank. If you don't write anything down you are guaranteed to get zero marks.
- 6. STICK TO YOUR EXAM STRATEGY**
If you have a bad first question, stick to your pre-planned strategy and don't let the bad start affect your performance on the next question.
- 7. DON'T PUT TOO MUCH PRESSURE ON YOURSELF**
Work your hardest and do your best. Some stress is good but becoming too stressed doesn't help you think clearly under pressure.

FREE Lifeguard Course

Are you, or someone you know, looking for a rewarding career, or part-time job teaching children to swim and helping save lives?

We are running a nationally recognised Swimming Teachers Association (STA) entry level 'Award Course'.

We are looking for patient, fun, friendly, outgoing individuals who have a passion to help children become more confident and safe in water.

This qualification will enable you to teach Stages 1-4 on our More Swimming Academy programme, with job opportunities across Birmingham Community Leisure Trust at Beeches, Erdington, Fox Hollies, Ladywood, Stechford and Wyndley Leisure Centres.

No teaching experience is necessary, but you must be able to comfortably swim at least 25m unaided.

Course Dates and Venue

We are hosting multiple courses throughout the year across the North and South of the city.

Please contact the Aquatics and Dry Course Manager at Erdington, Charlie.

100% attendance is required for any course.

This qualification will be fully funded by us (normally £300). All you need to pay is the cost of your STA membership which is just £49. Applicants need to be 16 on the day of the assessment. A DBS will be undertaken on completion of this course.

For any enquiries or to book your space email Charlie.Moore@serco.com

Who knows, it maybe you getting a thank you from the Olympic swimmers of the future!

NEW OPPORTUNITY!!

BRIGHT FUTURES ARE MADE AT BELL

Bell Group are the UK's largest commercial painting, decorating and building maintenance contractor, covering every square mile of Britain.

With over **1000 qualified**, we recognise the value apprentices bring to our business and we are **committed to employing 500 more over the next 5 years**. We are recruiting now for a range of trade apprenticeship positions.

There is no better time to apply for an apprenticeship with us than now!

- Earn while you learn
- Gain independence & confidence
- Develop your skills & experience
- Benefit from Mentor support
- Achieve a nationally recognised qualification
- Progress within Bell

Find out more about us by visiting www.bellgroup.co.uk

To apply for an apprenticeship and attend a local recruitment event, email your details to:

J.cordier@bellgroup.co.uk

WORK EXPERIENCE

How to find a placement

Do you know the type of work experience you would like to do?

YES

If yes, follow these steps...

Do you know anyone who works in the area of work you are interested in?
(This could be Family members, or Friends of the Family, neighbours or Friends' parents etc.)

If yes, ask them if the organisation they work for could offer you a work experience placement.

If successful go to **Step 5**.
If unsuccessful go to **Step 2**.

NO

If no, follow these steps...

Let your Head of Year know ASAP so that we can organise a workshop for you in the Library where we can discuss ideas.

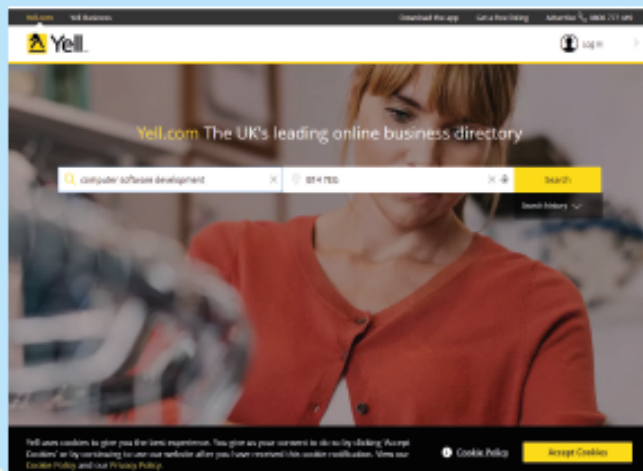

You can also start to gather ideas by going onto www.unifrog.org and completing the Work Environment profile quiz.

When you have decided what type of work experience you want to do go to **Step 2**.

2

Go onto www.yell.co.uk

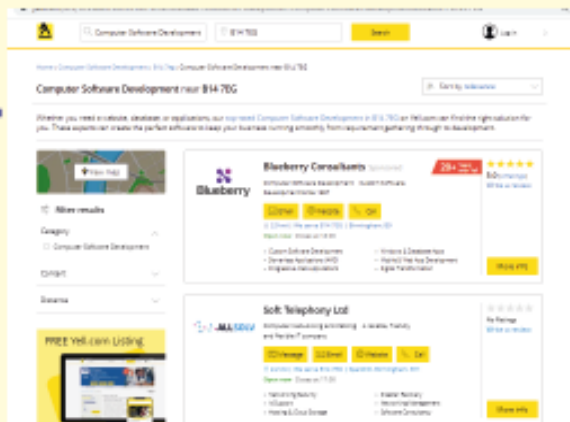

Insert the area you are interested in e.g. computer software and YOUR postcode – then hit search.

3

Use the Contact Details provided

Use the contact details provided on this list to either call or e-mail the company to ask them if they can offer you a placement. (You may need to go onto the company's website to find their e-mail or phone number).

4

Call them

This is the most direct way of getting hold of someone at the company. When you call, you should:

- Ask to speak to someone about work experience
- Tell them your name, what school you go to and when the work experience dates are (4th July-8th July 2022)
- Tell them that you have a real interest in this kind of work and would be grateful for an opportunity to get some insight into it by doing some work experience with them.
- Be prepared to give them your e-mail address or phone number for them to contact you on.

5

Complete the Work Experience Form

Complete the Work Experience Form outlining where you're going (with your parents/carers signature) and hand it in to Mrs Newton in the Library. Once the Health and Safety checks have been done on your placement, it can go ahead.

Email them

This is not as quick and not as effective as phone call because an e-mail can be ignored more easily, but if you really can't bring yourself to make a call, send them an e-mail which should include:

- Who you are
- What kind of role you're looking for
- Your overall career goals (and why this position would help)
 - Your skills (or previous experience, if you have any)
 - Why you'd be suitable for the role

WORK EXPERIENCE

PLEASE ENSURE YOU HAVE RETURNED YOUR WORK EXPERIENCE
MEDICAL CONSENT FORM.

ONCE YOU HAVE SECURED A PLACEMENT YOU ALSO NEED TO
COMPLETE AND RETURN A PLACEMENT CONFIRMATION FORM.

SEE MRS NEWTON IN THE LIBRARY IF YOU HAVE ANY QUERIES.

ALLIED HEALTHCARE MENTOR

The Only LIVE NHS Healthcare Careers Virtual Work Experience In The
UK **Run By Healthcare Professionals!**

Let us help you to take your first steps into the world of healthcare careers. It is live, giving you the chance to interact with healthcare professionals, but from the comfort and safety of your own home. Join thousands of other students who are exploring healthcare careers with the help of our LIVE simulated high fidelity work experience programme!

FIND OUT MORE HERE

Completely Unique Experience

Follow multiple patients over a 6-month period, as they go from their initial injury to recovery. It is amazing how many different healthcare professionals are involved in a patient's care. This incredible opportunity showcases a variety of professionals in one day. It gives students a chance to see them in action in various settings from the ward to the community. It is also a fantastic opportunity to see them work together in a multidisciplinary team.

During the work experience day, students will follow 2 patients from their initial presentation to recovery. Students will observe the healthcare professionals as they interact with the patients and also each other. Students will have an opportunity to ask questions and gain knowledge through teaching. This will help students to make an informed career decision as well as learn about how healthcare professionals work together as part of a multidisciplinary team. Each work experience day is completely different and students will be able to build on their knowledge of NHS careers as they see different patient cases and their healthcare professionals work in a variety of settings, such as hospital and community. For this reason we recommend that students attend one work experience a month for 6 months to not only gain a deeper knowledge of multidisciplinary teams in general but also their chosen careers.

Allied Healthcare Mentor are committed to ensuring that students still have the opportunity to gain valuable insight into healthcare careers, even in these difficult times.

MEDICAL WORK EXPERIENCE!

WORK EXPERIENCE OPPORTUNITIES

We are excited to announce that the largest free national work experience programme for your aspiring medical, dental and veterinary students has returned. This was developed last year in partnership with Birmingham Universities Hospitals Trust and it is free for students from 10-13 or S3-S6 year groups to participate in. We took a small break from the virtual work experience programme in November to convert the LIVE teaching into E-learning courses that students can now complete in their own time. Students have 1 month to complete each session, and once they have completed the programme they will receive a certificate from Medic Mentor and UHB as evidence of their participation. Medical Schools are accepting virtual work experience as an alternative to in-person work experience in light of the pandemic and reduced access to placements.

Participation in the virtual work experience will also provide students (and their parents) with several opportunities to speak to doctors, dentists and vets continuously throughout the academic year. They will be able to do this on Tuesday evenings and most weekends, for free. They can also call the Mentor Helpline number 01530 417 299 from 10am-5pm Mon-Fri if they would like to advice on careers or applying to medical, dental, vet school. Mostly this number is manned by Doctors. Medic Mentor is a non-profit social enterprise and all of our proceeds are reinvested in supporting students to make informed career decisions.

Registering for these programmes could not be easier, all they need to do is complete the free online application form for:

Medicine: <https://medicmentor.co.uk/university-hospitals-birmingham-trust-virtual-work-experience/>

Dentistry: <https://medicmentor.co.uk/dental-live-virtual-work-experience/>

Make the Future Yours! is full of information and advice to help you choose the right career. With articles, case studies and tips, we look at apprenticeships, part-time study, life skills and much more.

Follow us on Instagram!

The magazine aims to be an informative, impartial resource for anyone looking for inspiration or advice on future career and work-related choices. We don't aim to provide encyclopaedic or highly specialist content on every topic; however, we do want to illustrate the range of what is possible and signpost you to further sources of information and guidance, who can provide that specialist advice.

NHS

NHS apprenticeships

Earn, learn and make a difference with an NHS apprenticeship. Our apprenticeships offer routes into many of the more than 350 NHS careers through a mix of on-the-job training and classroom learning.

What you need to know about NHS apprenticeships

- if you are aged 16 to 18 or 19+ and in your first year of an apprenticeship, the minimum you should receive is £4.30 an hour (the National Minimum Wage for apprentices)
- many NHS employers will pay you more than the minimum wage
- they take between one and five years to complete
- anyone over the age of 16 can do one
- you're likely to spend four days on work placement and one day or at a training centre or college
- you'll develop your skills, including English and maths
- you'll gain a competence qualification (based on what you can do in the workplace) and a knowledge qualification, or a qualification combining both

Meet our apprentices

Apprenticeships

Our apprenticeship programmes

We offer apprenticeships right across our business. Whether you're looking hands-on or office-based work, there's something for you.

Our apprenticeships range from 1 to 4 years, and the qualifications you'll get range from level 3 (equal to an A-level), to level 6 (equal to a degree).

We have schemes for everyone. We want to hear from you, no matter what your journey has been like up until this point.

Your ambition is our future, and we can't wait to see you grow.

Police Officer Recruitment

APPLICATIONS CLOSED
CAN STILL REGISTER YOUR INTEREST

Our officers play a vital role in ensuring that the communities of the West Midlands are kept safe. It isn't easy but it is rewarding and can be a career like no other. We want people to join us who have a range of life experiences and backgrounds; it is vital that we represent all of the communities that we serve.

Policing uses plenty of **everyday skills**, from being able to reassure someone who has been a victim of crime to just being that friendly face that encourages a vulnerable person to open up and talk. Our training equips officers for the specialist skills they need to do the job, but it's the **human touch** – kindness, humour, friendliness and empathy – that people remember.

EY Foundation

APPLICATIONS STILL OPEN

The EY Foundation Programmes are exclusively for young people who are aged 16 and above, and have been recently eligible for free school meals, a college bursary or Education Maintenance Allowance (EMA). We also have a specific programme designed for young people with experience in care.

Which programme is right for me?

If you wish to apply directly yourself, then **Smart Futures** is for you.

The **Our Future** and **Beyond Your Limits** programmes run on a referral system from a teacher, a social worker or other youth worker. Share the programme pages with them to see if they can support you to take part in either of these programmes.

If you are unsure and have any questions, please email us at enquiries@eyfoundation.ey.com and our friendly team can help!

Smart Futures

If you are in Year 12 (or S5 in Scotland) and have been recently eligible for free school meals, a college bursary or Education Maintenance Allowance (EMA) then you will be eligible to apply

Our Future

If you are aged 16-19 in full-time education, may have struggled with school in the past and have five or less GCSE's, this programme could be suitable for you. To apply you must also have been recently eligible for free school meals, a college bursary

Beyond Your Limits

If you are a care-experienced young person aged 16-20 and in full or part-time education, this programme may be suitable for you.

Why volunteer?

Volunteering helps you make a difference to something you care about and learn new talents too. There are loads of ways to volunteer; whether you've got an hour or a week, are into music or sport, whatever's your thing, volunteering lets you make your mark.

[Find out more](#)

Volunteering Tips

If you're keen to volunteer but looking for a bit more practical advice on how to get involved (and perhaps some inspiration too), then you're in the right place. We've gathered all of the top tips on how to volunteer here, just for you.

Volunteer Centres

Volunteer Centres can offer you additional support finding volunteer roles in your local area. To see if there is a Volunteer Centre near you, visit the NCVO website.

[Find a Volunteer](#)

NCVO champions the voluntary sector and volunteering because they're essential for a better society. We do this by connecting, representing and supporting voluntary organisations.

Volunteering can make a real difference to your own life and the lives of those around you. There are loads of ways to get involved and plenty of organisations that can help you find your dream role.

So how do you go about finding the right volunteering role for you? Here are three steps to follow:

1. Think about what interests or excites you.

This could be something you enjoyed doing before, or something completely new.

2. Think about what time or skills you can give.

With so many opportunities to choose from, it's a great idea to narrow down the choices by deciding what you're willing to give.

3. Get researching!

NCVO doesn't hold a list of roles, there are simply too many. But you can:

1. go to your local volunteer centre
2. search the internet
3. ask friends what they do
4. or check out one of the online opportunity finders below.

BIRMINGHAM CAREERS SERVICE

Contact us

Birmingham Careers Service is a free and friendly support service providing careers information, advice and guidance to young people aged 16 to 19 who are not in education, employment or training (NEET). If a young person has a learning difficulty and/or disability then we can help them until they are 25.

Marketplace
