The Easter Careers Hunt: Find Your Future

Looking for some inspiration about your future this Easter? Answer some short questions now to help find your ideal ‘career cluster’.

*What is a ‘career cluster’? A study entitled *The New Work Mindset* analysed almost 3 million job descriptions and found that all roles could be grouped into one of 7 clusters (as listed below).*

- **The Generators:** social beings in professions requiring a high level of personal interaction
- **The Technologists:** the digitally-savvy, working in jobs that require a fluent understanding of technology
- **The Artisans:** getting hands-on with skillful tasks
- **The Designers:** creative creatures who need lean on science and design
- **The Informers:** providing information, education or business services to others
- **The Carers:** improving the physical and mental wellbeing of others
- **The Coordinators:** the super-organised, often the glue that binds a successful organisation together

APPRENTICESHIPS

**The world has had to adapt quickly.
Can YOU be part of the change?**

LTSB is a social mobility charity that develops talented young people personally and professionally, supporting them into life-changing employment with major firms. We've partnered with **NatWest Group** to find passionate young people for amazing **Data Analyst** and **Customer Service** apprenticeships in **Birmingham**. **Successful candidates will earn over £19k!**

"If you're a young person who isn't confident in their professional and employability skills, LTSB will take you from zero to hero. They'll help you realise your potential and fill in the gaps, and they do it because they really care."

Britney, 2020 NatWest Group Apprentice

Who?

You're passionate about delivering great outcomes for customers, committed to your future, and know what you can do – you just need some help to get there. LTSB supports 16-24 year-olds who were eligible for Free School Meals, from areas of low attainment, or have faced personal disadvantage.

What?

A **three-week bootcamp** of personal and professional development, so you can be your best self when interviewing and, if successful, starting jobs in **Data Analysis** and **Customer Service**!

How?

Sessions are delivered remotely, so you will need access to a laptop with webcam to participate. (Equipment support available if required.) **Discover more** at www.leadershipthroughsport.org, or email applications@leadershipthroughsport.org

WORK EXPERIENCE OPPORTUNITY In partnership with **SIEMENS**

BENEFITS

- The Programme is free for students
- Add the experience to your CV and Personal Statement
- You'll get practical skills and knowledge
- You'll earn a certificate if you complete the programme

WHAT'S INVOLVED

- Live workshops with employers
- Work and assignments
- Fits your schedule

WHAT YOU'LL COVER

On this two-week virtual work experience programme, you'll meet Siemens experts who will give you an overview of the engineering and technology sector.

You'll learn about the company and how it addresses key concerns in the industry, including sustainability, diversity and inclusion.

The virtual work experience programme involves around 10 hours of activity. You can complete the work over 2 weeks, meaning you can fit it around your schedule (whether that be school or college). There are live webinars to get involved in, but if you're unable to attend these you can watch recordings on-demand.

The Siemens work experience programme will take place from April 6th – April 16th 2021. You do not need to be available full time during those dates, but you do need to be able to complete 10 hours worth of activity over the two weeks.

WHAT IS UNIFEST?

UniFest is an opportunity for you to learn more about higher education and to gain insight into what life is like as a university student. Although we are unable to offer residential events this year, our six partner universities have prepared an exciting range of activities to inspire and motivate you to explore your future options. You'll have the chance to see what university is really like, speak to university students and staff, and receive advice and guidance on careers.

For more details: <https://prezi.com/view/a1abljuEDR8afY9qI2kL/>

WHAT WILL I GET OUT OF IT?

You will learn about university courses and career options, while taking in part in virtual campus tours, quizzes and talks to expand your knowledge of higher education. You'll improve your communication and team working skills as you interact with fellow students and university staff, with the opportunity to ask any questions you might have along the way.

You'll boost your self-confidence as you take part in new and challenging activities – you may even find a new passion! See where your interests can take you and begin your journey to higher education. One final bonus – taking part will help boost your college, sixth form or university applications too!

Rosalind Franklin Women in STEM Conference for Year 12 students

Newnham's annual Rosalind Franklin Women in STEM Conference brings together sixth formers to discuss some of the big scientific issues facing society.

(The event is named after Rosalind Franklin, co-discoverer of the double helix structure of DNA, and herself a graduate of Newnham College.)

The 2021 Rosalind Franklin Conference will take place virtually from 2-6pm on 9 April.

This year's theme is **Bioelectronics** – see below for a summary of this field from Professor Roisin Owens.

The virtual conference will include three live talks from academics working on different aspects of Bioelectronics, as well as a panel talk and admissions/student life session. Students who are selected to take part will also have access to further pre-recorded taster lectures and other resources.

The live aspects of the conference will be run using Zoom webinar software.

UNIQ 2021 – Applications now open for Oxford’s access programme for year 12 students.

As an access programme, UNIQ aims to encourage and support more students from backgrounds that are underrepresented at university. UNIQ is carefully designed to break down the barriers that can discourage some students from applying to Oxford– such as a lack of confidence or encouragement, absence of role models, outdated perceptions of Oxford and its students, or myths around our interview process. We have strong evidence that UNIQ works.

Every year about a third of UNIQ students who apply to Oxford get offered a place. Last year all UNIQ courses were delivered 100% online and 231 of our online UNIQ students have now received offers from Oxford.

At Virgin Media we have loads of great apprenticeship opportunities that cover all sorts of roles across our business, so whether you want to work on a more technical, engineering or business side of our business there's a scheme for you. Each of our schemes lets you 'learn while you earn' by gaining first-hand experience through exposure to our leading business practices and being paid a decent wage while you're at it!

Want to hear more about apprenticeships? Join us for a live interactive webinar by registering for your invite here [Online Webinars](#)

How to apply?

Our application process has a few stages. Each step gives us a chance to get to know you better and make sure you're right for the scheme – and, more importantly, to make sure you have all the information you need to decide if we're right for you too!

1. Application form: Our simple online application form gives you the chance to tell us a little bit about yourself and the Apprenticeship Scheme that you're interested in.
2. Situational Judgement Test (SJT): This may sound daunting but don't worry! This basic test helps us to understand a little more about the work situations you're most suited to, and perhaps those that you may not be.
3. Telephone Interview: Let's talk about the role! This step gives us the chance to discuss life at Virgin Media and your suitability for the role. It also gives us the chance to learn a bit more about your aspirations and motivations!
4. Coaching call: It's good to talk! This call gives us a chance to have a quick one-on-one chat with you to help you prepare for the final stage so that you can really shine at the Discovery Centre.
5. Discovery Centre: The final stage of our recruitment process allows us to get to know you in person and introduce you to our fun company culture – while you meet what could be future friends and colleagues.

Not sure what Apprenticeship might be right for you? Don't worry, we've got a tool for that! Take our quick [Match Me Quiz](#) to help you see which Virgin Media Apprenticeships your strengths and skills are best suited to.
