

OPPORTUNITIES BULLETIN

20.04.23

OK, SO YOU MAY NOT ACTUALLY LOVE REVISING
BUT MOST OF US LOVE TO SUCCEED.

TO SUCCEED AT SOMETHING YOU NEED TO PRACTICE AND
THAT'S THE SAME WITH YOUR EXAMS. THE MORE YOU
PRACTICE THE BETTER YOU'LL GET.

CHECK OUT THE VIDEO BELOW FOR SOME TOP TIPS ON HOW TO USE PAST PAPERS.

STAY IN TOUCH!

Summer Exam GCSE and GCE provisional timetables

**GCE EXAMINATION
TIMETABLE**

**GCSE EXAMINATION
TIMETABLE**

EXAM TIPS

1

Make a revision timetable

Help set up your time management. Write down how many exams you have and on which days you have them. Then adjust your study accordingly. You may want to give some exams more time than others, so find a balance that works.

3

Think positively

Remind yourself on how you overcame previous set backs. This will help you deal with future challenges and help build a mental resilience. View the exam as an opportunity or as a challenge.

5

Don't compare yourself with others

Remember, everyone's different and everyone studies differently. Focus on yourself and not on others as this will stress you out. Instead, focus on what you can control.

2

Get enough sleep and drink enough water

Being well hydrated is essential for your brain to work at it's best so make sure you drink plenty of water throughout your studies and on exam day.

Use sleep to your advantage and plan ahead.
Don't over use caffeinated drinks in an effort to stay awake!

4

Take regular breaks

If you were training for a marathon, you wouldn't try to run for 24 hours a day. Likewise, studies have shown for long-term retention of knowledge, taking regular breaks really helps.

Everyone's different, so develop a study routine that works for you and don't feel guilty about being out in the sunshine instead of hunched over textbooks!

BISHOP CHALLONER UPCOMING EVENTS

Welcome

To the Insight into the Clinical work experience of Birmingham and Solihull Mental Health Trust (BSMHFT). We hope you will enjoy and interact throughout the day. The aim of today is to give you as much information about four specialties within the NHS to equip you with the tools to make informed decisions about your future.

This programme has been designed to offer you an overview of the following NHS careers: Nursing, Pharmacy, Psychology and Allied Health Professionals. All of which offer a fulfilling career combining knowledge and communication skills helping you to build upon your existing skills and encourage you to engage with professionals of all levels.

We have speakers who will talk through what a typical day looks like within their department, then the opportunity to ask plentiful questions to the speakers. This is an amazing opportunity for you to get up close and personal with professionals who can answer your important questions about a career in their department.

Inspiring Futures

2023 Clinical Insights Schedule

What is an Allied Health Professional (AHP)?

AHPs are made up of 14 distinct occupations. AHPs are Dietitians, Occupational Therapists, Physiotherapists, and Speech and Language Therapists. There are also support staff who work with AHPs. They are a vital and integral part of delivering services, such as Health instructors, Therapy Assistants or Activity Workers. AHPs apply their expertise to assess, diagnose, treat and rehabilitate people. They may provide advice, rehabilitation, treatment, diagnostics or health improvement interventions that will develop, restore or maintain physical, sensory, psychological, cognitive and social functions.

Pharmacy – Provide medicines to our patients. Support professionals and patients optimise the safe and appropriate use of medicines to improve health

Nursing – Build therapeutic and effective relationships with patients and service users who access mental health services. We work in collaboration with their relatives and carers to ensure holistic care delivery.

Psychologist– A clinical psychologist or counselling psychologist uses psychological theory and research in therapeutic work to help service users with a range of difficult life issues (e.g., bereavement, relationship difficulties, sexual abuse, trauma, etc.) and mental health conditions (e.g., anxiety, depression, obsessive-compulsive disorders, eating disorders, psychosis, etc.)

	Morning 10.00 am—12.30pm		Afternoon 1pm—3pm
Monday 10 July -Lower Conservatory	Welcome & Introductions Health & Safety <i>(Jade Batchelor)</i> Ice Breaker; Tree of Life <i>(Kelly Buffham and Emma McLeod)</i> What is the tree of life?	Lower Conservatory	What is Pharmacy? Q&A? Specialist areas? <i>(Nigel Barnes)</i>

10th – 14th JULY 2023

WORK EXPERIENCE

How to find a placement

WORK EXPERIENCE
YEAR 10

Do you know the type of work experience you would like to do?

YES

If yes, follow these steps...

Do you know anyone who works in the area of work you are interested in?
(This could be Family members, or Friends of the family, neighbours or Friends' parents etc.)

If yes, ask them if the organisation they work for could offer you a work experience placement.

If successful go to **Step 5**.
If unsuccessful go to **Step 2**.

NO

If no, follow these steps...

Let your Head of Year know ASAP so that we can organise a workshop for you in the Library where we can discuss ideas.

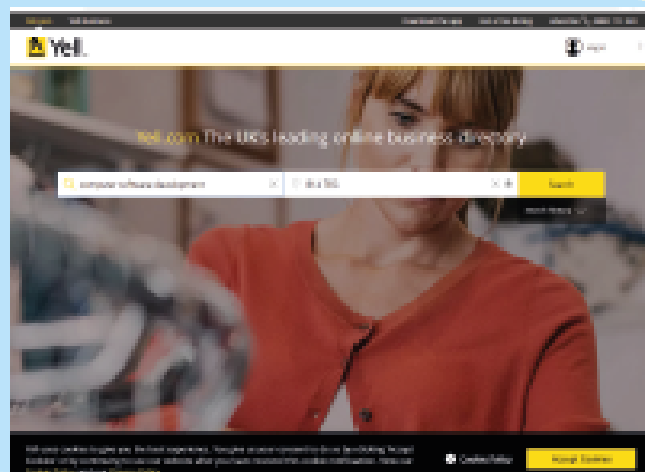

You can also start to gather ideas by going onto www.UK-Frog.org and completing the Work Environment profile quiz.

When you have decided what type of work experience you want to do go to **Step 2**.

2

Go onto www.yellow.co.uk

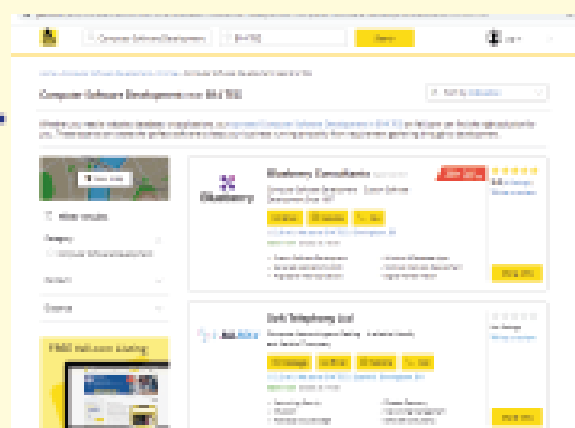

Insert the area you are interested in e.g. computer software and YOUR postcode – then hit search.

3

Use the Contact Details provided

Use the contact details provided on this list to either call or e-mail the company to ask them if they can offer you a placement. (You may need to go onto the company's website to find their e-mail or phone number).

4

Call them

This is the most direct way of getting hold of someone at the company. When you call, you should:

- Ask to speak to someone about work experience
- Tell them your name, what school you go to and when the work experience dates are (3rd July 2023 - 7th July 2023)
- Tell them that you have a real interest in this kind of work and would be grateful for an opportunity to get some insight into it by doing some work experience with them.
- Be prepared to give them your e-mail address or phone number for them to contact you on.

5

Complete the Work Experience Form

Complete the Work Experience Form outlining where you're going (with your parents/carers signature) and hand it in to Mrs Newton in the Library. Once the Health and Safety checks have been done on your placement, it can go ahead.

Email them

This is not as quick and not as effective as phone call because an e-mail can be ignored more easily, but if you really can't bring yourself to make a call, send them an e-mail which should include:

- Who you are
- What kind of role you're looking for
- Your overall career goals (and why this position would help)
 - Your skills (or previous experience, if you have any)
 - Why you'd be suitable for the role

Apprenticeship Insight Event

Wed 10 May 2023 | 17:00-19:30

Apprenticeship Insight Event – Birmingham

Are you a parent or carer for a student that is thinking about doing an apprenticeship?

Join us for a **PHYSICAL** multi-brand Insight Event in **Birmingham** where parents, carers and students can ask questions to the brands all about apprenticeships. With a Q&A panel, parents will have the opportunity to ask questions and network with employers. So why not join us for an evening alongside some incredible brands in the industry and learn more about the opportunities available for your child!

If you're unable to attend the event in Birmingham, then do not worry as we will be live streaming the whole event! Details on the livestream will be emailed closer to the event date!

How to get there:

Address: Millennium Point, Curzon Street, Birmingham, B4 7XG.

Train: Birmingham New Street (13 minute walk), Birmingham Snow Hill (13 minute walk).

Bus: From the city centre to the Millennium Point entrance on Jennens Road, catch numbers 14 (stop BS7), 55/55A 90 or 94 (stop BS9).

Car: There is a multi-storey car park situated adjacent to Millennium Point. If you're using sat-nav please use the following postcode – B4 7AP. Onsite parking starts from £3.00. If you need disabled parking simply display your [Blue Badge](#), parking will be free with no time limits.

FREE COURSES WITH OPEN LEARN

Why study a free course on OpenLearn?

Our courses have been proven to increase confidence and develop the skills needed to enter Higher Education and succeed with learning.

You can choose an **OpenLearn** course from a wide range of subjects. Some are based on Open University course materials. Others are written specifically for **OpenLearn**.

The OpenLearn logo consists of the word "OpenLearn" in white, sans-serif font, centered within a dark blue rectangular background.A light blue, rounded rectangular button with a slight 3D effect and a shadow. The text "REGISTER NOW" is written in red, uppercase, sans-serif font, centered on the button.

What are the advantages?

- **OpenLearn free courses are available immediately**
- Our courses do not have a start and end date. You can start right away or at a time that suits you.
- **You can work through at your own pace**
- You can spend as long as you like on an **OpenLearn** course, plus, if you sign up you can track your progress and work towards a **statement of participation**.
- **There are around 1000 courses to choose from**
- The courses always focus on a specific area of learning. Some focus on important and fascinating academic subjects, whilst others help you develop skills needed for study or work.
- **You can try out what's on offer from The Open University**
- If you're interested in taking an Open University course but are not sure what to study or if distance learning is right for you, then **OpenLearn** lets you get a feel for what's on offer.

VIRTUAL WORK

Police Officer Recruitment

APPRENTICESHIPS

Our officers play a vital role in ensuring that the communities of the West Midlands are kept safe. It isn't easy but it is rewarding and can be a career like no other. We want people to join us who have a range of life experiences and backgrounds; it is vital that we represent all of the communities that we serve.

Policing uses plenty of **everyday skills**, from being able to reassure someone who has been a victim of crime to just being that friendly face that encourages a vulnerable person to open up and talk. Our training equips officers for the specialist skills they need to do the job, but it's the **human touch** – kindness, humour, friendliness and empathy – that people remember.

FOR MORE INFORMATION

Earn, learn and make a difference with an NHS apprenticeship. Our apprenticeships offer routes into many of the more than 350 NHS careers through a mix of on-the-job training and classroom learning.

What you need to know about NHS apprenticeships

- if you are aged 16 to 18 or 19+ and in your first year of an apprenticeship, the minimum you should receive is £4.30 an hour (the National Minimum Wage for apprentices)
- many NHS employers will pay you more than the minimum wage
- they take between one and five years to complete
- anyone over the age of 16 can do one
- you're likely to spend four days on work placement and one day or at a training centre or college
- you'll develop your skills, including English and maths
- you'll gain a competence qualification (based on what you can do in the workplace) and a knowledge qualification, or a qualification combining both

Not going to Uni? Explore your options!

Not going to uni?

So you're not 100% sure on whether you want to go to university! It's certainly not the only option open to school/A-Level leavers!

One of the main drivers in making such a critical decision is whether or not you know what type of work you want to do – and possibly for the rest of your life! If you want to be a doctor or a dentist, you're pretty limited to the university route! If you aren't 100% sure yet (and you won't be alone here) then it's a great idea to spend some time to explore your options.

There are several places you can get advice including the [National Careers Service](#). One thing is for sure, you don't need a degree to be successful!

UCAS

1

Plan your day

Decide in advance which talks you want to go to so you don't miss the topics you're interested in.

2

Make notes

There's a lot to take in so it'll help when you come to comparing different universities and colleges afterwards.

3

Get talking!

No one knows a university better than its students, so take the opportunity to talk to them during campus tours and accommodation visits.

4

Ask questions (lots of them!)

Make a list of what you want to know before you set off and check you've got all the answers before heading home.

5

Keep in touch

Take an email address for someone you can contact after your visit in case you think of more questions you'd like to ask.

For open day dates go to

www.ucas.com/open-days-dates

opendays.com

university + college open days

Opendays.com is a web site providing students with university and college open day information.

The most comprehensive open days web site in the UK.

Easily accessible listings of all university and college open days throughout the UK.

DETAILS PROVIDED

Open day dates, booking information, travel details, monthly calendars and mini prospectuses for over 300 universities and colleges in England, Scotland, Wales and Northern Ireland.

EASY TO USE

It is easy to find the information you seek either through a comprehensive search facility or browsing the open day calendar.

ONLINE BOOKING

You can also save details of open days/institutions that interest you and use our 'Online Booking System' to book your place at an open day!

ADVICE SECTION

Higher Education opportunities, What To Do At Open Days, UCAS Forms and Gap Years.
