BISHOP CHALLONER UPCOMING EVENTS

Careers in Writing

Saturday 25th November 2023
12.30pm in central Birmingham.

**DEADLINE
THIS
WEEKEND!**

With opportunities to ask questions and meet other writers your age (14–24), Careers in Writing will help you find out:

- **How to go from writing for fun to writing as a career**
- **What other jobs you could do which still use your writing skills and passion**
- **More about working in the publishing industry**

You can also book for a limited number of individual advice sessions to directly discuss anything you'd like to know about in more depth with a member of the team.

Sign up to our mailing list for more details:
sparkwriters.org.

ADDED
THIS
WEEK!**

GRESHAM COLLEGE

Are you looking for resources that complement and yet go beyond the school curriculum? Expert sources to help you stand out from the crowd at sixth form and university interview?

Gresham lectures are a great resource for both teachers and students because they provide stretch, challenge and support for the GCSE, A Level and International Baccalaureate (IB) curriculum.

As a student, attending Gresham lectures in person or watching online can deepen your knowledge and develop new ideas, concepts and perspectives that can be used and referenced in exams, coursework (including EPQs), and at university interviews,

SATURDAY ACADEMIES

Experience what it's like studying on our courses

Our Birmingham College of Food department run Saturday Academies allow you to experience what it's like studying bakery or chef courses at University College Birmingham. This gives you an opportunity to explore whether working in this industry is your ultimate career goal plus providing you with not only practical skills but other valuable skills such as confidence, communication and teamwork.

Pathway to Bath

Free online curriculum enrichment for
Year 12 students

Develop your skills by completing a project on a
topic that you enjoy, and join us on campus for a
summer residential

Applications open 11 October 2023
and close 31 January 2024

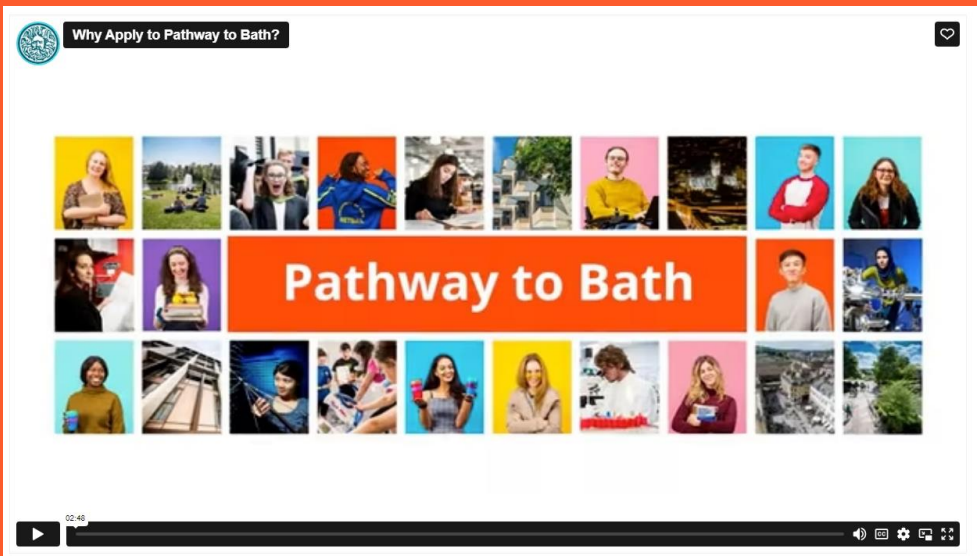

Find out more and apply now:

www.bath.ac.uk/campaigns/pathway-to-bath-programme

The University of Bath runs Pathway to Bath, a free blended learning programme that gives students the chance to work online alongside experienced staff and current students, to develop key skills for university study and beyond. They will also be given the opportunity to apply for a place on a free 3-day residential visit to campus in the summer, to experience life as a student at Bath.

NATIONAL SATURDAY CLUB

Across the UK, the National Saturday Club gives 13–16yr olds the opportunity to study subjects they love for free, at their local university, college or cultural institution.

Club members attend local classes every Saturday, for up to 30 weeks of the year, where professional tutors create and lead programmes that encourage experimentation and introduce a wide range of activities and practices. Here, Club members are free to explore their creativity, discover their talents and develop their skills.

Keble
College

***NEW* Keble Subject Taster Days for Year 12 Students: Engineering, Philosophy & Computer Science**

Keble hosts annual Subject Taster Days for prospective students currently in Year 12 at UK state schools and colleges. In February 2024, three Taster Days are available:

- **Monday 12th February: Engineering Science** (applicants must be studying Maths and Physics at A-Level, Further Maths strongly recommended)
- **Tuesday 13th February: Philosophy:** at Keble College, we admit for three joint degrees with philosophy: Philosophy, Politics, and Economics; Philosophy and Theology; and Philosophy and Modern Languages (French, Italian, and Spanish; others are offered at other colleges). This taster day will be most relevant to those interested in these courses
- **Wednesday 14th February: Computer Science** (applicants must be studying Maths at A-Level, Further Maths is strongly recommended)

FIND OUT MORE AND APPLY HERE

**WRITE ABOUT WHAT MATTERS TO YOU. GET EXPERT FEEDBACK.
AND YOU COULD WIN!**

The Orwell Youth Prize uses the writing of George Orwell as a starting point to inspire you to write about your own ideas and experiences.

Inspired by Orwell, we want you to think about ideas of home today. What does it feel like to be at home? What happens when our sense of a safe and secure home comes under threat? What does home mean in an ever-moving world? And how can we make our homes the places we want them to be – be this a household, town, city, country, or the world?

[ENTER THE PRIZE](#)

The Orwell Youth Prize 2024 is now open for entries on the theme of HOME. Please use the online form below to enter.

Girls into GeoScience Junior 2023

We're hugely excited to be running Girls into Geoscience Junior again this year. From magmas and minerals, to dinosaur diets, earthquakes and geological travels around the world; Year 8 and Year 9 (age 12-14) pupils can join us online from anywhere to discover the amazing things geoscientists get up to!

A free event where there will be an opportunity to access exclusive video content, a live experiment, taster lectures, practical activities and a live Q&A with current students and staff.

Who can attend?

Individuals who are aged 12 – 14 (UK Years 8 – 9) based in the UK or around the world are welcome to attend. No prior knowledge of geography and/or geology is necessary, just enthusiasm and a willingness to learn!

As a school, you may also wish to organise as a group for an afterschool activity.

When and where?

Tuesday 5 December 2023, 3.45pm – 6.00pm (GMT).

Join us online via Zoom.

Additional video resources will be available to access prior, from Tuesday 21 November 2023. We recommend signing up before this date to ensure you can take advantage of the exclusive content.

Should I become a Doctor? – 29/11/23

Virtual Event on Zoom – 29/11/23 between 7 and 8:30pm

This presentation, held by medical students, is designed to help Year 9 - 12 students decide whether 'Medicine', or becoming a doctor, is for them. It could also be helpful for anyone else seeking information about the Medicine Application Process - including parents and teachers.

It is will be held on the 29th of November 7-8:30pm on Zoom. Please fill in the sign-up form below to receive the log in details, or find It on our website under Training & Events > Futures Programme > Future Doctor:
<https://forms.gle/rqG3y6yWb94hs9J9A>

The evening will include:

- How do I know medicine is right for me?
- The Application Process
- The Medical Degree / Life as a Medic
- Foundation Years (Post Degree)

If you have any more questions,
please contact molly.butcher@nhs.net

I particularly enjoyed looking at the ways I can get a medical degree and the roadmap/path in terms of exams, universities and work experience.

Thank you for the presentation, I found it very valuable as I am currently choosing my A-level options in year 11 and I hoped that this presentation can help me decide what I want to do for the future.

The Access to Birmingham (A2B) programme helps University of Birmingham applicants with little or no higher education experience to explore what studying at university involves.

The University of Birmingham has a long history of welcoming students from a wide variety of social and cultural backgrounds. We were one of the first universities to set up a fair access scheme for local students in 2000 and are proud to be able to offer you the support of our A2B scheme if you are studying at one of our partner institutions.

Apply to A2B

Applications for the 2023/24 A2B scheme are open until 15 February 2024. Completing the programme will bring you a range of benefits including an alternative offer and funding. We encourage you to explore our programme information and eligibility and consider applying.

APPLY NOW

Benefits of taking part in the programme

Once you complete A2B successfully, you will receive two offers from the University of Birmingham, the standard offer and a [Pathways to Birmingham offer](#).

The Pathways to Birmingham offer is typically a reduction of up to two A level grades (e.g. BBB rather than AAB).

As well as the Pathways to Birmingham offer, you will also benefit from:

- Financial support
- Continued support and guidance from an experienced and dedicated A2B team
- Preparation for the transition from school to university study
- The opportunity to make new friends at a special induction event before you start university
- Becoming a Birmingham Scholar upon starting university
- Practice interviews for courses where relevant (Medicine, Dentistry, Social Work, Nursing, and Physiotherapy)

EXPLORE THE BENEFITS

Insight into University Residential

Insight into University Residential Experience (previously known as Headstart) are summer schools run over 4 or 5 days where students get a taster of university life and an insight into a specific STEM subject. Students will get the opportunity to experience university style lectures and work on activities and group projects with the support of academics and student mentors. Students will stay in halls of residence and will take part in social activities in the evenings.

These courses are for Year 12/S5-6 students and are a great way to try out a STEM subject at university before applying. This allows students to make a better informed decision for their UCAS application, as well as meeting like-minded students from all over the UK.

These summer schools are run for small groups (on average 30 students) and so places are limited.

Courses running in summer 2024

Maths at Lancaster
Mechanical Engineering at UCL
Materials Science at Oxford
Broad-based Engineering at Sheffield
Materials Science at Cambridge
Aerospace Engineering at Liverpool
Ocean & Earth Science at Southampton

Additional courses coming soon!

Find out more and apply on our website
[here](https://www.etrust.org.uk/residential-insight-into-university).

What our students say

"A wonderful experience which a few years ago I wouldn't have dreamed of going on. The staff were so supportive and everything was fascinating. Thank you all so much for this chance, it was something I'll remember and reap the benefits of for the rest of my life!"

"I greatly enjoyed it. This course has given me the opportunity to demystify university life for myself and also interact with those just as enthusiastic as myself. It was a great chance to experience life independent of my family for the first time. I now know how university life will be, and so I feel more comfortable pursuing it."

Statistics from 2023

99%

of participants said they would recommend the course to other students!

96%

of participants said they felt the experience on the course will help them make a better informed decision for their UCAS application.

[Open day top tips: what to do
\(and what not to do\)](#)

opendays.com

university + college open days

Opendays.com is a web site providing students with university and college open day information.

The most comprehensive open days web site in the UK.

Easily accessible listings of all university and college open days throughout the UK.

DETAILS PROVIDED

Open day dates, booking information, travel details, monthly calendars and mini prospectuses for over 300 universities and colleges in England, Scotland, Wales and Northern Ireland.

EASY TO USE

It is easy to find the information you seek either through a comprehensive search facility or browsing the open day calendar.

ONLINE BOOKING

You can also save details of open days/institutions that interest you and use our 'Online Booking System' to book your place at an open day!

ADVICE SECTION

Higher Education opportunities, What To Do At Open Days, UCAS Forms and Gap Years.

Remember our website opendays.com and tell your friends about the service.

Let open days open your mind to what a university or college has to offer...

UCAS

1

Plan your day

Decide in advance which talks you want to go to so you don't miss the topics you're interested in.

2

Make notes

There's a lot to take in so it'll help when you come to comparing different universities and colleges afterwards.

3

Get talking!

No one knows a university better than its students, so take the opportunity to talk to them during campus tours and accommodation visits.

4

Ask questions (lots of them!)

Make a list of what you want to know before you set off and check you've got all the answers before heading home.

5

Keep in touch

Take an email address for someone you can contact after your visit in case you think of more questions you'd like to ask.

For open day dates go to

www.ucas.com/open-days-dates

A BRAND-NEW FILM TO CELEBRATE 100 YEARS OF ARMY APPRENTICESHIPS

This month, the nation's number 1 apprenticeship employer - the British Army, is celebrating 100 years of offering apprenticeships!

To mark this special occasion, we went along to the Army Foundation College (AFC) in Harrogate and met some incredible Junior Soldiers to find out what life is like at the college and the opportunities available.

WATCH THE FILM NOW

AFC Harrogate supports 16 and 17 year olds in learning military skills, fitness and education (including English and Maths) so they're ready for an apprenticeship and successful career in whichever part of the Army suits them best - all whilst earning a good wage and making friends for life.

Employment Opportunities
