1. Aims

This policy statement aims to set out our school's arrangements for managing the access of education and training providers to students for the purpose of giving them information about their offer.

It sets out:

- Procedures in relation to requests for access
- The grounds for granting and refusing requests for access
- Details of premises or facilities to be provided to a person who is given access

2. Statutory requirements

Schools are required to ensure that there is an opportunity for a range of education and training providers to access students in years 8 to 13 for the purposes of informing them about approved technical education, qualifications or apprenticeships.

Schools must also have a policy statement that outlines the circumstances in which education and training providers will be given access to these students.

This is outlined in section 42B of the Education Act 1997.

This policy shows how our school complies with these requirements.

3. Student entitlement

All students in years 8 to 13 at Bishop Challoner Catholic College are entitled to:

- Find out about technical education qualifications and apprenticeship opportunities, as part of our careers programme which provides information on the full range of education and training options available at each transition point.
- Hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships.
- Understand how to make applications for the full range of academic and technical courses.

4.4 Safeguarding

Our Visiting Speaker policy clearly outlines the school's procedure for checking the identity and suitability of visitors.

Education and training providers will be expected to adhere to this policy.

4.5 Premises and facilities

Bishop Challoner Catholic College will make the most appropriate venue in school available for the talk with providers. This could be the Auditorium, Sports Hall, Common room or subject specific classrooms. Projectors, speakers and other specialist equipment can be used for Provider presentations. This should be discussed in advance with the Careers Leader or the Student Services team. Providers are welcome to leave some prospectuses or careers material for students to read. This material will be made available in the Careers Library section of the main Library which is available to all students at breaks and lunch times.
