You have Been Locked in
the Classroom of a
Crazy teacher.

You must escape!

Instructions

Your teacher is keeping you hostage. In order to escape her crazy schemes you must complete a series of tasks and puzzles.

1. You must work in the groups you are sat in, speaking to another group results in a time-out penalty.
2. Give your team a name.
3. Take it in turns to come up with your completed sheet. If you 'pass' then I will give you the next sheet and a letter. The person who collects the sheet will be the one who has to write on it so everyone gets several turns.
4. If someone in your group is seen not writing, talking, listening or looking in the revision guide you will be given a time penalty.
5. The winner is the group who is first to finish.
6. Tasks must be completed in an orderly fashion as there are lessons going on next door.
7. When you finish re-arrange all the letters.

You have 45 minutes to
