

Year 9 French T2 assessments

Students will be assessed on all 4 units of work that they have worked on this year:

Unit 1: family and friends relationships

Unit 2: new technologies

Unit 3: free time (TV programmes, films, music, food and sports)

Unit 4: celebrations and festivities

They will be sitting assessments in all 4 skills, which are **Speaking, Listening, Reading and Writing**.

In order for our students to best prepare for these assessments, they will need to ensure that they are up to date with the vocabulary from all 4 units. For this, they should be revising on the website www.quizlet.com.

In order to practise for individual skills, they will find some interactive exercises on the website www.kerboodle.com. (French GCSE AQA 9-1)

For both websites, they should have login details. If for any reasons, they have been lost, please get in touch with your French teacher.

Also you will find some information and links on www.frenchbc.weebly.com

Bonne chance!
