

Birmingham School Health Support Service

COVID19 Service update

Despite educational establishments being closed following government recommendations we want to assure you that you are still able to access help and support from the School Nursing Service.

During the periods of school closure / self-isolation you can continue to get support and advice from the School Nursing Service by either emailing the service, by telephone or text message. Please search for your team by the school the child attends, or alternatively use the list by district below
