Apply

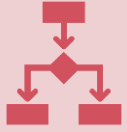

- **Early September** – Applications open
- **Mid October** – Deadline for applications to Oxford, Cambridge, Medicine, Dentistry and Veterinary Science
- **January** – Deadline for applications to most courses

Offers

- Universities process applications
- Applicants invited to interview
- **Early May** – Majority of offers made by this date

Decision s

- **May/ June** – reply to your offers
- Decide on a firm and insurance choice institution
- **Mid August** – Results Day (clearing and adjustment)

Once you have decisions on all your choices, you can hold a maximum of two offers:

1

One as a 'firm' acceptance – your first choice

2

The other as an 'insurance' acceptance. This acts as a back-up if you do not get into your 'firm' choice

You must then decline any remaining offers.

Other Options

Extra (Feb – Jul)

- Used all five choices and had no offers.
- Can make one extra choice at a time to see if you can get an offer

Clearing (Jul – Oct)

- If on results day you are unsuccessful with your firm and insurance choice, you can approach universities that have places and secure an offer with your results
