

# Art Department's Daily Challenges

In the chaos that is the current reality, BC's Art department thought it might be a good idea to find a place where we can gather to share ideas, make art and be creative. To escape the ordinary for a while and have a bit of fun. Instead of getting bored, fill your days with Art instead!

This is just an announcement to say "hi"; telling you to watch this space and to follow us on Twitter @BChallonerArt and Instagram @bishopchallonerartdept for daily challenges, ideas, and to have your work exhibited on our profiles!

The themes for each day will be as follows:

- Mixed Media Monday (using materials that can found at home)
- Typography Tuesday (type, fonts and calligraphy)
- 'Wing it!' Wednesday (create your own artwork surrounding a set theme)
- Thoughtful Thursday (the importance of Art in the wider world / community art / analysis)
- Photography Friday (phone-accessible photo experiments)
- Sketch Saturday (step by step drawing tasks)
- Snoozed Sunday (day off)
