## GCSE to AS/A level Mathematics transition resources

These resources are designed to help you to make the transition from GCSE to AS and A level Mathematics.

Many students say that they find the initial transition from GCSE challenging. These resources focus on key skills that will be used across the whole spectrum of AS and A level Mathematics. Each section includes:

- skills checks
- a chance to practise and explore
- some extra ideas that you may want to investigate further

There will be six sets of resources, released on a weekly basis, and each set should provide about 3 hours of work. If you really get engaged by the

### Guidance on using these resources
