

Y13 Revision

A LEVEL GEOGRAPHY REVISION GUIDANCE

Which exam board?

In Geography we follow the **AQA** exam board.

What revision resources do students have?

- A checklist for each unit of work.
- The recommended revision guide for the AQA exam.
- Banks of practice questions.
- Class notes and booklets.
- Key vocabulary lists
- Access to online revision material

Additional Resources students could access at home or in the school library:

- Seneca – an online revision tool that helps students revise and practice exam questions.
- The Bishop Challoner Geography Twitter account – @BCGeogDept
- www.alevelgeography.com – a useful revision website.
- Royal Geographical Society – a guide to the coursework element of the course.

A LEVEL GEOGRAPHY

What are the best ways for students to revise Geography?

- Summarising key content or concepts (flash cards, mind mapping topics, bullet pointed notes).
- Practising exam questions. All students now have banks of questions in which have been carefully planned to meet the requirements of the course. If students are in a position to answer all of these questions by the start of April then they will be in a very strong position.
- Testing one another verbally or by a parent / carer. Going through the revision checklists or using the knowledge organisers students could test one another on key content. This is particularly useful for helping remember key facts for case studies.

When are the mock exams and which topics should I revise?

Paper	Length of exam	Dates	Topics
A Level Paper 1: Physical Geography	1 hour and 40 minutes	12 th January AM (Group 13C)	- Coastal Systems and Landscapes
		15 th January AM (Group 13B)	- Hazards
A Level Paper 2: Human Geography	1 hour and 40 minutes	19 th January AM (Group 13C)	- Changing Places
		22 nd January AM (Group 13B)	- Contemporary Urban Environments

13B = Reed and Tsintas

13C = Dillon and Mullins
