# Year 12 Mock Exams

# Academic Success: A guide for students

- Make sure you are organised.
- Periods you do not have lessons are study periods.
- When you do not have a lesson you should be studying in the Year 13 study area, the common room or the library.
- Studying must start now and is an ongoing process over the two years.
- Eat a healthy diet, get enough sleep, exercise and make time to do the things you enjoy doing outside of college.
- Work hard during the school day and this will naturally create more free time to do all the other things you enjoy.
- Ask for help when its needed.

## **Assessment Windows**

Students will be assessed throughout there time in the Sixth Form, but there will be formal assessment windows and mock exams where students will sit formal assessments.

**Year 13:** 

**Report 1:** Monday 18<sup>th</sup> December 2023 (emailed home)

**Report 2:** Tuesday 19<sup>th</sup> March 2023 (emailed and shared at parents evening)

We will invite parents in during October / November if we have any concerns or information we need to share face to face

## Studying is an ongoing process

- All students will be issued with new study period guides by their subjects to help support them with revision.
- Students should use all study periods (free periods) to complete homework and to study for subjects.
- Students will be coached during form time on the best approaches to take towards revision.
- Subject teachers will guide students on the best resources to use for study.
- Recommended revision guides will be made available to students in the next few weeks if they have not yet brought them.

**Miss Mullins** 

### **ASPIRE TO BE MORE**

### **Attendance 5 Foundations**

- There is a direct correlation in our Sixth Form between students with low attendance and their final A Level / Vocational Results.
- One missed lesson is one hour of work missed that needs to be caught up on without the direct support of the class teacher. This can very quickly become unsustainable and then sadly often leads to student underachievement.
- I urge parents / carers to really support students and the Sixth Form with this and really encourage excellent attendance throughout the year.

## **Authorised absence**

- Hospital appointment
- Driving test
- Family funeral
- Religious holidays
- University visit (up to 5)
- Significant extra-curricular activity eg. regional sporting event
- You must inform your teachers via email and parents/carers should contact school if you need to be absent for any of the reasons above BEFORE THE EVENT PLEASE.

Parents/carers to call 0121 441 6144

### **Un- authorised absence**

- Part time work
- Leisure activities
- Birthdays
- Babysitting younger siblings
- Shopping
- Driving lessons
- Driving theory test

## **Student Bursary**

This is a limited amount of money that the college receives to support students who otherwise might struggle to stay in full time education.

It is used most commonly to provide bus passes, text books, lunches and support essential college trips.

Please read the letters carefully and apply if you feel you may be entitled to this support.

Miss Mullins is the member of staff who leads on this in the Sixth Form.

## **Smoking and Vaping**

Bishop Challoner Catholic College is a no-smoking site, which means that no-one is permitted to smoke within the school buildings, site and the immediate vicinity.

Smoking outside of the College gates is strictly forbidden and constitutes bringing the college into disrepute (see learning Agreement).

A student who smokes or vapes on or around the college will be **suspended** and their position in the Sixth Form will be reviewed.

The use of electronic cigarettes, or vaping products, can significantly impair the function of the body's blood vessels, increasing the risk for cardiovascular disease. Additionally, the use of both e-cigarettes and regular cigarettes may cause an even greater risk than the use of either of these products alone.

These findings come from two new studies supported by the National Heart, Lung, and Blood Institute (2023)

## **Dress Code**
