April 2026

Dear Parents/Carers

Year 12 Mock Exams

I am writing to you to give you some information about the forthcoming mock examination period for Year 12 students.

Mock Exams

- Mock exams will run from **Monday 11th May to Friday 22nd May**.
- Students will sit a maximum two papers per subject
- Please [click here](#) to view all examination information including timetable and guidance on the topics to be assessed within each subject.
- Please make sure your child refers to this guidance as it will help them to effectively prepare for these examinations.
- Parents/Carers will be informed of mock examination results via email.
- The purpose of the mock examinations is to give an indication of progress made by students during Year 12.
- The mock examination results, and results from other class-based assessments throughout the year, will be used in discussions with students about future pathways and inform, but not determine, their UCAS predicted grades.

Reports

Parents/Carers of Year 12 students will receive an end of year report and there will be a Parent Consultation Evening on **Wednesday 1st July 2026**. It is expected that all Parents/Carers will wish to attend to discuss their child's progress.

June 2025

Work Experience Week is **Monday 22nd June to Friday 26th June**.

I would like to take this opportunity to reiterate how impressed I have been with Year 12 this year. It has been an extremely busy year and students have continued to demonstrate resilience and positive attitudes throughout. It has been particularly pleasing to see many students being so proactive in their personal and academic development. It is important that their efforts are maintained.

As always, please do not hesitate to get in touch if you have any concerns or queries.

Kind regards

Miss Shirley
Head of Year 12
