

Mathematics

SUMMARY OF ASSESSMENT

In maths, T1 is based on a total of 3, 1 hour assessments, assessing a wide variety of skills and topics. These papers will take during maths lesson in the week beginning 14th February 2022.

Content Assessed

The first paper will be a non-calculator paper based on topics covered since the start of Year 7.

The subsequent two papers will both be calculator papers also assessing topics covered since the start of Year 7.

The general topic areas, which will be assessed, will be:

- Number
- Algebra
- Data Handling
- Geometry

A more detailed revision list will be released closer to the assessment dates.
