

## RE

### SUMMARY OF ASSESSMENT

In Religious Studies, The T1 assessment will span our three unit topics:

- Happiness & fulfilment
- Suffering & Relationships - assessing the main skills needed for critical thinking and continued success in our subject
- Knowledge, Contextualisation, Communication & Evaluation

Individual teachers will inform students when the assessment will be completed. Students will be set revision on class charts and some time will be given in lessons leading up to the assessment to revise as a class.

Parents can support their children by discussing what they have been studying in RS with them and engaging in a conversation with them to help their child demonstrate their ideas and evaluate their opinions.

### Support

Parents can support their children by discussing what they have been studying in RS with them and engaging in a conversation with them to help their child demonstrate their ideas and evaluate their opinions.
