## February Half Term Newsletter

**Miss Hunter, Head of Year**  
**Miss Manning, Assistant Head of Year**

In our first newsletter of 2025, both Miss Hunter & I would like to wish all Year 8 students, parents and carers and all those reading a Happy New Year! As we approach February half term and the halfway point of the year, we would like to take the time to celebrate the progress Year 8 have made and the wonderful range of events they have been involved in. As ever, it has been a jam-packed term, with a variety of trips, ongoing charity work and extra-curricular activities. We have been particularly impressed with the attitude and focus of students throughout their KAP3 revision and assessment period.

### Charity Work and The Year of Hope

*"We must restore hope to young people, help the old, be open to the future, spread love. Be poor among the poor. We need to include the excluded and preach peace."*

**Pope Francis**

As a community, we wish to give glory to God by our service to others. In the Year of Hope at Bishop Challoner, our focus school charity is Father Hudson's Care: a charity that endeavors to protect and care for those vulnerable in society, such as children, families, the elderly, the disabled and the displaced, such as refugees. It has been wonderful to witness Year 8 students readily and eagerly engage in the charity work that has happened so far this year.

Over the Christmas period, 8LUK & 8SEB did a fantastic job of raising £145.65 for our school charity through their candy cane sales and Christmas Hamper raffle! Our next charity event is taking place in March, with 8CEC selling raffle tickets to win a Mother's Day Hamper.

A 'Tree of Life' display is currently being created by the whole school, and Year 8 students have been involved in writing some beautiful messages of hope to hang on its branches as a reminder that hope can be found everywhere. Alongside this, two representatives from each year group have been picked as 'Pilgrims of Hope'. Our representatives are Reuben T & Elsie H. They joined Fr. Toby on Wednesday 29th January for a commissioning ceremony, who blessed our jubilee artwork and representatives, sending them out to be pilgrims of hope in our school community.

### Assessments

Over the course of the last three weeks, Year 8 students have been completing KS3 Midpoint assessments across a range of subjects. They have shown commendable focus and dedication towards their revision, with many attending revision clubs before and after school. The results of the assessment may result in some group changes to ensure that students are best placed to continue the Key Stage 3 Curriculum. There will be a chance to discuss the outcome of these assessments alongside students' general progress with class teachers and the pastoral team at our Year 8 Parent Consultation Afternoon later in the Spring Term.

### Assemblies

Year 8 continue to attend a weekly assembly in the sports hall. Each week they start the assembly in collective worship, before receiving important messages about topics linked to our PSHE curriculum. This term, assemblies have been on themes such as World Religion Day, Holocaust Memorial Day, Safer Internet Day and Anti-Bullying/Children's Mental Health week to name a few. Over the Christmas period, we spent time discussing the importance of Advent, with some assemblies being brilliantly presented by older students in our school community. Students have also continued to finish assemblies with a going fort message of worship, and we have been very impressed with the confidence and eloquence of those who have volunteered for this role - Well Done!

## PSHE and Form Time Worship

Another part of our mission as a school is about developing our potential. This has been a theme throughout the year within our assemblies, Religious Studies and PSHE Education looking at growth, and aspirations. Year 8 students have spent time thinking about their goals for the new year and also had plenty of opportunity to come together in collective worship. It was a delight to see the reverence and respect demonstrated by the year group during mass, and we hope they will continue to uphold this attitude within collective worship around school and during form times. This year, students have been able to volunteer for different roles within their form groups, such as faithful ambassadors, form angels, school council reps and eco reps. The willingness and eagerness of students to be involved in these roles has been beyond impressive, and it is wonderful to see how keen students are to want to make a change for the better and be helpful and faith-filled wherever they can.

## FAITHFUL Character Virtues

This academic year, our students have had a particular focus on the FAITHFUL virtues (being Faith-Filled, Attentive, Intentional, Truthful, Helpful, Forgiving, Understanding and Learned). In this newsletter, we would like to take the opportunity to praise our year group for their outstanding efforts working towards these different virtues every week. Our top form for positive logs this half-term, is 8TER, closely followed by 8BER and 8CEC. Alongside this, we wanted to give a specific well done to the following students on their accumulation of positive logs this half term: Sophia T, Ethan L, Luke C, Harris K, Leighton-Blake F, Munana D, Giovanni AEE, Daniel B-G, Jacob T, Kaiden G, Kyron H, Ednah ST, Lily B, Kayven R, Amnah N, Alexander S, Henry K, Noah P, Yunis H, Mesuna R, Mariam H. Keep up the great work!

## Extra-Curricular

Extra-curricular activities are an important part of life at Bishop Challoner, and it has been amazing to see so many activities being attended by Year 8, from STEM club and Science club to Art Club, Cookery Club and Book Club to name a few! We hope Year 8 continue to get involved in these fantastic opportunities that foster and facilitate their holistic personal growth! Here's a few example of the extra curricular event students have take part in over the past term.

### Girls Cyber Competition

In November, a group of Year 8 girls attended the CyberFirst Girls Competition run by Aston University. This is an exciting and prestigious STEM event which the girls showed excellent dedication to, staying in at break times and after school to prepare. Their hard work, teamwork and determination paid off, with the team making it to the final of the competition! Well done on such a remarkable achievement! We hope that the girls who participated might now consider pursuing future careers in technology.

### Benjamin Zephaniah Spoken Poetry

As part of the English 'Bishop's Got Talent' event, which celebrated the life and poetry of Benjamin Zephaniah, all Year 8 students were tasked with writing poems based of Zephaniah's 'People Need People'. Some of our Year 8 students also bravely performed their poems to the rest of our school community. They read beautifully, and the poems (which were themed around people who are important to the students and the community around them) were truly inspiring! Well done to Taysharne S & Jacob N, Brooke W, Idris C, Maximillian S and Preston M!

### Eco Club

Many of our Year 8 students, along with students in Year 7, currently attend our Bishop Challoner Eco Club, which has had a very busy start to 2025. The club has started its Eco School application and hopes to achieve Gold Eco School status by the summer term. Students have also been selected as Active Travel Ambassadors and are working hard on initiatives to encourage our school community to travel to school in a sustainable and active way. Students have collected data about how our school community travels to school to direct future campaigns.

### Manga Workshop

In December, 14 members of Year 8, alongside students from 6 other visiting schools, took part in an exciting Manga Drawing workshop ran by the Literature Festival and hosted by the brilliant and charismatic author Sonia Leong. The work they produced was excellent!

## My Dad by Idris

Waiting, standing, thinking where he is  
While I drink a Radnor fizz  
My dad, a curious smart person  
Trying to drop someone off at school, his son (sigh)  
A thing stands in the doorway, my dad (laugh)  
Caring but never smiling and looking mad

He says, 'Are you ready to go?'  
I say, 'I was ready to go... 15 MINUTES AGO!'  
Taxi driver (dad) gets in the car  
Caring but never smiling and chucks me out of the car

'We're walking today,' said dad  
Great (not), I liked dad's car but we're not in it and that's sad  
Out pops my little brother, cheerful, energetic and all-inspiring  
'Come on,' he said 'It's good to do a spot of walking.'

We arrive at school with 10 minutes until form  
Amazing walk with my dad  
Smart and ingenious, has a plan always in the moment  
I thank him and I say, 'You're an absolute saviour to me, dad'  
Dad replies, 'You know it's good to be grateful for things you have -  
And appreciate the things people do for you  
If you follow in my path, you will have a fruitful life,  
You will have greater knowledge of many subjects  
And travel to the four corners of the world  
I've had a good life but I want yours to be better  
I will do anything for you to make you the best you can be  
And you are the thing in my life which makes me the most happy'  
Dad walks off to his car and drives to work  
And I walk off to form, very thoughtful of my dad  
The best thing in the world  
Could not have been better  
He's a changed man and a new beginning for both of us  
He's caring and always smiling always looking glad

## Community by Taysharne

In the heart of are local community,  
Where laughter echoes and sorrows  
shown,  
We gather together, hand in hand,  
Each soul a piece of a greater plan.  
Friends lift us high when the world feels  
tough,  
Their laughter, a balm when times are  
rough  
Through joys and heartaches, they  
Stand firm and near,  
in the tapestry of life, they dispel our  
fear.  
Family, our shelter, steadfast and warm,  
in their loving embrace, we weather the  
storm.  
Through shared stories, hugs and  
dreams we weave  
A bond so profound, it helps us believe  
Peers are our partners, united we strive,  
In learning and laughter, we truly thrive  
In classrooms and corners, our spirits  
align,  
Through each shared experience, our  
hearts intertwine  
In despair's shadow, when hope seems  
to fade,  
It's our peoples love that becomes our  
aid.  
Together we journey, through thick and  
through thin,  
With every connection, a new strength  
within.  
So lets celebrate the bonds that we find,  
In the heart of our lives, they're lovingly  
signed,  
For in this vast world, one truth shines  
bright:  
People need people, our guiding light

## Trips

This term has seen some very exciting trips take place for Year 8 students! There are many opportunities upcoming for students to engage with in out-of-classroom learning whilst having an amazing time, such as the History trip to the Black Country Museum on 20th March. We encourage all parents to keep an eye out for the different opportunities that come up!

## Alton Castle

At the end of November, over 40 Year 7 and 8 students set off for their Alton Castle residential, where they experienced fun, faith and friendship in action. Students took part in biking, trekking, crate stacking, archery and a climbing course. Amongst the time of fun there were also opportunities to be reflective with morning and night prayers, Grace before and after meals and the Holy Mass celebrated together as a community. Throughout the retreat, staff looked out for students to display our FAITHFUL virtues. Well done to the following Year 8 students, who were named as fantastic examples of the following virtues: Intentional: Luke B & Markas M, Helpful: Mark L. Staff spoke exceptionally highly of all students' resilience, positive attitude and behaviour - well done to all those involved! You were a credit to the school!

## Trip to the BBC

In December, a group of our Year 8 students got the opportunity to visit the BBC studios and take part in the soundscape interviews as part of the anniversary commemorations of the Birmingham Pub Bombings. Students were able to sit in the Radio WM studios and explore how sessions were run and recorded. They were then treated to the special experience of being in the tense atmosphere of the live gallery for the lunchtime news and weather, before heading to the studio to try the famous sofa for themselves! The students all showed great maturity before their years in producing such a brilliant audio piece to commemorate the Birmingham pub Bombings!

## Reading

As an English teacher as well as Assistant Head of Year, I cannot state enough the importance of continuing to read with your children. Reading is a research-driven method of improving one's grades, mental health and future prospects in life. As such, all students in Year 8 have an English lesson in the library once a fortnight to make excellent use of the resources available in the school. Likewise, we fully encourage reading from home and I must mention the Reading club and advise children attend it. Over the course of the year so far, Mrs Newton our librarian has also helped facilitate a paired reading scheme in which some of our Year 8 students have the opportunity to read with Yr12 mentors and discuss their thoughts and opinions about the stories they are reading together. This is a fantastic opportunity, with such engagement and a focused atmosphere that is important to celebrate!

## Sport

As well as extra-curricular clubs, it has been a pleasure to see many of our Year 8 students participating in sports clubs run by our incredible PE department, such as Netball, Football, Basketball and Dance. We encourage more students to take a look at the extra-curricular timetable and get involved or try something new! We have seen success in recent fixtures, such as girls' netball and boys basketball. Students have also had opportunities to attend sports trips, such as the heavily anticipated trip to Etihad to watch Man City vs Real Madrid Champions League Match on Tuesday 11th February. Many of our students are also looking forward to attending the international residential football trip to Valencia in March!

## Ball Crew

As a school, Bishop Challoner have been selected to supply a Ball Crew for the ITF 50k Challenger tennis event which reaches Birmingham this February. 25 students have been selected for this magnificent opportunity with integral participants coming from Year 8. Testament to all involved for their hard work and dedication over the training period.

## Uniform Standards

Students are required to wear the standard uniform of blazer, tie, white/blue shirt with black straight leg school trousers (not skinny or boot cut) or girls can wear a knee length black pleated school skirt. Girls are also reminded that if they choose to wear a skirt, then they should wear plain, black, opaque tights. Students are reminded that black leather school shoes should be worn and that trainers/trainer shoes are forbidden.

Please note that school shoes must be completely black and boots of any kind are not allowed.

Our uniform requirements are complemented by a smart appearance and as such, hair styles should not have a distinct contrast in length. Hair that is dyed must be of a natural hair colour and may not contain more than one colour. To avoid a health and safety risk, long hair must not impede vision or cover the face, except for a fringe which must not cover the eyes. Long hair must be tied up for practical lessons. Religious head coverings must be black and securely tied for practical lessons. Hair bands or accessories must be for functional use to secure the hair. Where hairbands are worn, they must be black. Headwear that has religious or cultural purpose should be black. The final decision as to whether a particular haircut/style is appropriate is at the discretion of senior staff.

Make up, nail varnish and jewellery are not permitted with the exception of one pair of plain stud earrings which may be worn.

Students found to be wearing an inappropriate item of uniform may be asked to change this or in some cases parents/carers will be contacted and requested to bring replacement uniform to school.

We appreciate your support in ensuring that standards of uniform and appearance are maintained.

## Piercings

Please be reminded that students are permitted to wear a pair of gold or silver studs in the lobe of the ear. Any other piercings, including nose piercings, are not allowed.

## Blazers

Blazers are a **compulsory** part of the school uniform and **must** be worn at all times. Jumpers are optional.

## Canteen

## Hydration

Please provide students with a drinking vessel to refill at our water stations provided or they can purchase a drink from the school canteen.

## Contact Details

It is parents/carers responsibility to keep the school updated with correct emergency contact details and new medical conditions or concerns and investigations. This is extremely important.

We do not provide liquid paracetamol such as Calpol please provide this to school first aid if your child can not take tablets and you wish to do so, this will be kept safe in first aid for your child only. We can only provide in tablet form.

## Illness

If you assess your child in the morning and they are not well enough for school you must contact our pastoral team to report their absence.

## Mobile Phones

Students should not be contacting parents/carers when they feel unwell and requesting to be collected from school. If a student is unwell, they **MUST** go to the First Aider who will deal with them. If a student is not well enough to stay in school, the First Aider will contact parents/carers to arrange collection.

Students who contact their parents/carer directly and do not follow the procedures in place will be sanctioned, this may result in their mobile phone having to be handed in to the Pastoral office each day. The use of anyone else's mobile phone risks that person being sanctioned also.
