

# BISHOP CHALLONER CATHOLIC COLLEGE

8 June 2020

Dear students of 7X1 and 8X1 maths, and parents/carers,

Every year, we enter students in 7X1 and 8X1 into the “Junior Mathematical Challenge”, run by the United Kingdom Mathematics Trust (UKMT). It is a 60 minute challenge, sat under exam conditions, and tests understanding of tricky and interesting maths questions. It is a nationally run competition, and is often good fun!

United Kingdom  
Mathematics Trust

The UKMT have made the Junior Mathematical Challenge 2020 available online, in response to our school closure. This means you can sit the challenge at home.

The date that we will be taking part in this challenge is **Monday 22<sup>nd</sup> June**. To complete the challenge you will need some plain paper, a pen or a pencil and a willingness to try, as well as access to a device that can connect to an internet browser. No calculators, phones, maths books, textbooks or internet searches should be used.

You will need to click on this link to access the challenge: [challenges.ukmt.org.uk](https://challenges.ukmt.org.uk)  
Before the day I will email you a username and password to your school email address for you to use to take the challenge. In the meantime you can click on the link to take some practice questions, which you do not need to log in to complete.

Please follow the steps below to do this:

- Open a browser and go to the site [challenges.ukmt.org.uk/](https://challenges.ukmt.org.uk/)
- Click on **Challenges**
- Under **Practice**, click **JMC 2019 Questions**

Hopefully you are excited about doing this!

If you have any questions or concerns, please do not hesitate to contact me at:
