

#StaySafeGetActive on your journey to

**Bishop Challoner
Catholic College**

2nd October 2020

Dear Parent/Guardian,

The area outside our school is busy in the morning and at the end of the school day. We would like our school and community to be a safe space that all can enjoy. At some points in the day, the traffic along Institute Road can impact on the well-being of those in the local area.

To alleviate this problem, we would ask that parents and carers use the 5 minute bubble attached. This means that the traffic isn't concentrated in one area. Not only will this make the school area safer but also improve the air quality around the school and your child's mental and physical health.

Please help create a 5-minute protective Walking Bubble around our school so that everyone can travel safely and actively to school.

Yours faithfully,

Isabelle Goetschel
Environmental Coordinator

5-MINUTE WALKING BUBBLE

#StaySafeGetActive on your journey to school

Bishop Challoner
Catholic College

Protect our children

If possible, walk, cycle or scoot to school

If you have to drive, park at least 5-minutes away

Supported by the

Department for Transport

For more hints, tips and information please visit www.modeshiftstars.org/staysafegetactive

This 5-minute walking zone represents a distance of 400m measured as a straight line, based upon an average walking speed of 3-miles per hour
