

BISHOP CHALLONER CATHOLIC COLLEGE

July 2021

Dear Parent/Carer and student

As we look forward to the publication of GCSE results on Thursday 12th August, please find details regarding collecting results and the enrolment procedure for those students that have applied for a place at Bishop Challoner Sixth Form College.

All students will receive a letter this week with a time to collect results and enrol (if required) with a member of staff. In order to help us manage the number of people at school at any one time, we ask that students do not arrive any earlier than their allocated time. **Only students should attend**, and parents/carers and students are reminded not to gather at the entrance to the school or enter site without a pre-arranged appointment.

Miss McGowan the careers advisor will be available on the day to support students.

Students who have Coronavirus (COVID-19) symptoms, or who have someone in their household who does, should not attend but should contact r.reynolds@bishopchalloner.bham.sch.uk.

Please be advised that, in order to be able to enrol onto chosen courses, it is important that students enrol at this time. **If enrolment is left until the first week in September it is possible that some courses may be full.**

We look forward to seeing students on Thursday 12th August.

Yours sincerely,

M A Nutt
Associate Principal – 6th Form

Principal - Dr J Coughlan
