

# Director/Governor Opportunities

The Bishop Hogarth Catholic Education Trust is a growing organisation and currently has responsibility for a number of academies, all of which are judged by Ofsted to be either 'Good' or 'Outstanding'. With your support we can move all of our schools to 'Outstanding'.

Your role as a foundation director / governor is to promote the distinctive nature of Catholic education, considering the interests of the Trust and its schools, along with its pupils, staff and parents. To help you in your role you will receive training and support.

A certain level of time commitment is required to fulfil your responsibilities as a foundation director / governor, including time to attend meetings, read papers and agendas prior to these meetings and having the time to get to know your school.

Governors and directors are expected to have the ability to build relationships with a range of people, to be able to work as part of a team and to be able to critically challenge and support in equal measure.

Becoming a director / governor is a very fulfilling and rewarding role. If you are interested, we would like to hear from you.

To find out more and how to apply, please contact: Julian Kenshole,  
Governance Manager on 01325 524525.
