

# Bishop Martin CE Primary School Accessibility Plan 2025-2028

*'Learning Together, Growing in Faith' 'May Your Light Shine Before Others So They May See Your Good Deeds*' (*Matthew 5.16*).

## **Vision and Values**

Our school motto statement 'Learning Together, Growing in Faith' is underpinned by the gospel saying 'May Your Light Shine Before Others So They May See Your Good Deeds' (Matthew 5.16). Our five Core Christian Values are: Hope, Trust, Respect, Kindness and in the centre of all four of these, Love. These values are represented, throughout school, by our Values Design. Rooted in the Bible Quotes around the outside of the design, the four Values of Hope, Trust, Kindness and Respect all flow towards the centre where our motto sits, surrounded by the heart representing Love. This design, it's meaning and symbolism and these Christian Values were agreed upon with all members of the family of Bishop Martin fully involved.

#### 1. Statement

Under the Equality Act 2010 schools should have an Accessibility Plan. The Equality Act 2010 replaced all existing equality legislation, including the Disability Discrimination Act. The effect of the law is the same as in the past, meaning that "schools cannot unlawfully discriminate against pupils because of sex, race, disability, religion or belief and sexual orientation". According to the Equality Act 2010 a person has a disability if:

- he or she has a physical or mental impairment, and
- the impairment has a substantial and long-term adverse effect on his or her ability to carry out normal day-to-day activities.

Here at Bishop Martin CofE Primary School we are aware that we have a general duty under the Equality Act 2010 to:

- Eliminate discrimination, harassment, victimization and any other conduct that is prohibited by or under this Act
- Advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it
- Foster good relations between persons who share a protected characteristic and persons who do not share it

The Accessibility Plan is listed as a statutory document of the Department for Education's guidance on statutory policies for schools. The Plan must be reviewed every three years and approved by the Governing Body. The review process can be delegated to a committee of the Governing Body, an individual or the Head. At Bishop Martin CofE the plan will be monitored by the Head Teacher and evaluated by the Governing Body.

We are committed to providing a fully accessible environment which values and includes all pupils, staff, parents and visitors regardless of their age, education, physical, sensory, social, spiritual, emotional and cultural needs. We are committed to challenging negative attitudes about disability and accessibility and to developing a culture of awareness, tolerance and inclusion.

The Accessibility Plan will contain relevant actions to:

• Improve awareness of equality and inclusion.

• Improve access to the physical environment of the school. This covers improvements to the physical environment of the school and physical aids to access education.

• Increase access to the curriculum for pupils with a disability, expanding the curriculum as necessary to ensure that pupils with a disability are as equally prepared for life as are the able-bodied pupils (we understand that if a school fails to do this they are in breach of the Equality Act 2010). This covers teaching and learning and the wider curriculum of the school such as participation in after school clubs, leisure and cultural activities or school visits. It also covers the provision of specialist aids and equipment, which may assist these pupils in accessing the curriculum.

• Improve the delivery of written information to pupils, staff, parents and visitors with disabilities. Examples might include handouts, timetables, textbooks and information about the school and school events. The information should be made available in various preferred formats within a reasonable time frame

#### **School Planning Documents & Policies**

Bishop Martin CofE's Accessibility Plan will be used to advise other school planning documents and policies and will be reported upon annually in respect of progress and outcomes.

#### Curriculum - Environment

Bishop Martin CofE is committed to providing an environment that enables full curriculum access that values and includes all pupils, staff, parents and visitors regardless of their education, physical, sensory, social, spiritual, emotional and cultural needs. We are committed to taking positive action in the spirit of the Equality Act 2010 with regard to disability and to developing a culture of inclusion, support and awareness within the school. This includes reviewing access to on-line resources during the COVID-19 pandemic so that no child is left behind (availability of technology and internet access at home).

## Publication

The Accessibility Plan will be published on the school website.

## Monitoring

The Accessibility Plan will be monitored through the Governing Body.

## 2. Aims and Objectives

Our Aims are:

- Improve and maintain access to the physical environment
- Increase access to the curriculum for pupils with a disability
- Improve the delivery of written information to pupils
- Improve access to remote learning to support the needs of all pupils

Our objectives are detailed in the Action Plan.

# 3. Current good practice

We aim to ask about any disability or health condition in early communications with new parents and carers. For parents and carers of children already at the school, we collect information on disability as part of a survey of parents' views and will further survey parents relation to available technology at home for those pupils unable to attend school.

## 4. Access Audit

The school is a single storey building with average-sized corridors and several access points from outside. On-site car parking for staff and visitors includes one dedicated disabled parking bay. Most entrances to the school are either flat or ramped some of which have double doors fitted to ease access. The main entrance features a secure lobby and has been fitted with a low reception hatch, this being fully accessible to wheelchair users. Two disabled toilet facilities are available, outside the Hall. The toilets are fitted with a handrail and a pull emergency cord. School will review accessibility in relation to home learning. The school will ensure all pupils have access to the technology they need to support them when they are unable to attend school, eg COVID-19 pandemic.

#### 5. Management, coordination and implementation

- We will consult with experts when new situations regarding pupils with disabilities are experienced.
- The Governors and Senior Leadership Team will work closely with the Liverpool Diocesan Schools Trust central services, Local Authority and Diocese.

## Accessibility Plan 2025-2028
