Vision and Values

Our school motto statement '**Learning Together, Growing in Faith**' is underpinned by the gospel saying '**May Your Light Shine Before Others So They May See Your Good Deeds**' (Matthew 5.16). Our five Core Christian Values are: **Hope, Trust, Respect, Kindness** and in the centre of all four of these, **Love**. These values are represented, throughout school, by our Values Design. Rooted in the Bible Quotes around the outside of the design, the four Values of **Hope, Trust, Kindness and Respect** all flow towards the centre where our motto sits, surrounded by the heart representing **Love**. This design, it's meaning and symbolism and these Christian Values were agreed upon with all members of the family of Bishop Martin fully involved.

Charging Policy

1 Introduction

- 1.1** All education during school hours is free. We do not charge for any activity undertaken as part of the National Curriculum with the exception of individual or group music tuition.

2 Voluntary contributions

- 2.1** When organising school trips or visits which enrich the curriculum and educational experience of the children, the school invites parents to contribute to the cost of the trip. All contributions are voluntary. If we do not receive sufficient voluntary contributions, we may cancel a trip. If a trip goes ahead, it may include children whose parents have not paid any contribution.
- 2.2** If a parent wishes their child to take part in a school trip or event, but is unwilling or unable to make a voluntary contribution, we do allow the child to participate fully in the trip or activity. Sometimes school pays additional costs in order to support the visit. Parents have a right to know how each trip is funded. The school provides this information on request.
- 2.3** The following is a list of additional activities organised by the school, which require voluntary contributions from parents. These activities are known as 'optional extras'. This list is not exhaustive:
- visits to museums and places of interest;

- sporting activities which require transport expenses;
- outdoor adventure activities;
- visits to the theatre;
- musical events.

3 Residential visits

3.1 If the school organises an educational residential visit in school time or mainly school time, we do make a charge to cover the costs of board and lodgings. The education element is covered by voluntary contributions.

4 Music tuition

4.1 All children study music as part of the normal school curriculum. We do not charge for this.

4.2 There is a charge for individual or group music. Peripatetic music teachers teach individual or small group lessons. We make a charge for these lessons at a pre-agreed rate. Parents are informed about additional music tuition either at the beginning of the academic year or as it becomes available.

5 Swimming

5.1 The school organises swimming lessons for all children in Key Stage 2 (usually Year 3 or 4). These take place in school time and are part of the National Curriculum. We make no charge for this activity, however we do ask for a voluntary contribution towards the cost of transport. We inform parents when these lessons are to take place, and we ask parents for their written permission for their child to take part in swimming lessons.

6. Extra-Curricular activities & events

6.1 The school organises numerous curriculum extension activities throughout the academic year. Where clubs are run by school at lunchtime by member of staff there is no charge. There may be a charge for activities run after-school to cover the costs incurred through the use of the building. Where clubs are run by outside bodies, there will be a charge levied by the organiser.

6.2 When school organises performances or events there may be a charge for these activities to cover costs, performance licences or for fund raising purposes.
