

### **What is Pupil Premium?**

Pupil Premium is a type of funding additional to the main school funding. It is received from the government each academic year and is allocated to students under a few different criteria. These criteria are;

Those families who have been eligible for free school meals (FSM) at any point in the last six years. This is sometimes known as 'the ever six'.

The amount received is £935 per eligible pupil.

Students are eligible for Pupil Premium Plus if they have left Local Authority care because of one of these reasons:

- adoption
- a special guardianship order
- a child arrangements order
- a residence order.

If a student has left Local Authority care and is eligible for free school meals, they just receive the Pupil Premium Plus money. (Not Pupil Premium & Pupil Premium Plus).

Those students who have been in local-authority care for 1 day or more are also eligible for Pupil Premium Plus.

The amount received is £1900 per pupil and this reflects the unique challenges these students face at school where they often struggle to keep up with their peers both at primary and secondary level.

The Service Premium gives schools extra funding to support children and young people with parents in the armed forces. Students attract the premium if they meet the following criteria:

- one of their parents is serving in the regular armed forces
- one of their parents served in the regular armed forces in the last 3 years
- one of their parents died while serving in the armed forces and the pupil is in receipt of a pension under the Armed Forces Compensation Scheme (AFCS) and the War Pensions Scheme (WPS)
- 

The amount received is £300 per eligible pupil.

All of these funding mechanisms are there to enable these students to:

- improve their levels of attainment and progress
- close the attainment gaps relative to their peers
- ensure equality of opportunity across the curriculum and beyond

The amount of money to be received by Bishop Rawstorne for pupil premium this year was £74 860.

### Use of the Pupil Premium

The Pupil Premium at Bishop Rawstorne Church of England Academy is used to pay for a range of student support activities and interventions. Below are areas where the money will be spent with approximate costings;

Type Of Provision	Description	Rationale	Cost (£)	Impact	Evidence Of Impact
Use of a Pupil Premium Co-ordinator for whole school interventions across all of the areas below	To have a person central to the assistance of these students	This person will check on the students' well being as well as academic progression, attendance, equipment, uniform, extra curricular activities and be a general point of contact should the need arise	£3 000	The achievement of academic goals by the students and the closing of the gap between pupil premium students and none pupil premium students	Average total progress 8 figure for pupil premium students was 0.24 and the attainment 8 figure for pupil premium students was 51.8
Learning and achievement across the school	Additional numeracy and literacy lessons for those who have fallen behind	To allow the delivery of more of the basic number and literacy work to a cohorts of students, delivered to small class sizes	£1 000	To keep the levels of progress in English and maths above the national average for this particular focus group and to improve year on year	94% of pupil premium students made expected progress in English or more than expected progress 65% of pupil premium students made expected progress in maths or more than expected progress 67% of pupil premium students obtained a grade C or above in English and maths.
