FOCUS / MESSAGE / THOUGHT FOR THE WEEK

As we settle into our first full week of the new academic year, we warmly welcome all students and staff back to school. We hope your summer was a time of rest, reflection, and connection with loved ones — a chance to recharge and prepare for the opportunities ahead. The start of a new year is always a special time, filled with hope, fresh goals, and renewed energy. It is also a time to look back with gratitude and pride. We especially want to recognise and celebrate the incredible achievements of last year's Year 11 students. Their outstanding exam results are a true testament to their hard work, resilience, and faith. They leave behind a legacy of determination that will continue to inspire us all.

As we embark on this new chapter, let us do so with open hearts and minds — ready to learn, grow, and support one another. Let's approach each day with compassion and courage, grounded in the belief that each of us is uniquely gifted by God and called to make a difference in our own way. May this year be one of growth, discovery, and joy for every member of our school community. Together, let's make it a positive and purposeful year.
Mrs Winter, Deputy Headteacher
