THE CHRISTIAN COMMUNITY

Bishop Rawstone is a diverse, welcoming, Christian learning community committed to nurturing respectful and responsible citizens, empowering ALL learners to flourish.

Introduction

This policy has been prepared in accordance with the requirements of Sections 449-462 of the Education Act 1996.

Subject to the exceptions detailed within this policy, the school cannot charge for education or educational activities provided during school hours (including the supply of any materials, books, instruments or other equipment).

School Trips

Day Trips

No charge will be made in respect of educational trips that take place during normal school hours or are part of the school's published curriculum. Where day trips take place outside of normal school hours which are not part of the school's published curriculum a charge will be made up to the full cost of the trip including administrative costs and contingency. The school may choose to subsidise part of the cost.

Essential Residential Trips

For residential trips that are essential to the school's published curriculum a charge will be made in respect of the board and lodging costs.

Optional Residential Trips

For non-essential residential trips (eg ski trip, sports tours, foreign language trips, exchanges) a charge will be made up to the full cost of the trip including administrative costs and contingency. The school may choose to subsidise part of the cost.

Rewards Trips

Occasionally the school will run non-educational trips as a reward to students (eg theme park, shopping centre visits) during school hours. A charge will be made up to the full cost of the trip including administrative costs and contingency. The school may subsidise the cost of reward trips.

Voluntary Contributions

For trips where a charge cannot be made the school may ask parents to make a voluntary contribution towards the cost of the trip. No child will be excluded from an activity, or treated differently, because their parents are unable or unwilling to contribute. However, where voluntary contributions are insufficient to cover the cost of the trip then it may have to be cancelled.

Materials

Where a parent has indicated in advance that they wish to retain items produced as a result of art, design and technology and textiles then a charge may be made up to the full cost of materials used. The school may choose to subsidise part of the cost.

In the case of food technology, students usually provide their own ingredients, but if the student forgets, the school may be able to provide the ingredients and make a charge.

Textbooks

Textbooks are provided free of charge; however, in some subjects additional revision guides are available and for such a charge will be made up to the full cost of the book.

Where students wish to annotate textbooks (eg English literature books) then a charge will be made up to the full cost of the book.

Textbooks provided free of charge remain the property of the school and must be returned after use.

Equipment, uniform and other clothing

The school may provide items of equipment (eg stationery, aprons), uniform (eg blazers, ties) and other clothing (eg hoodies) for sale to students, for which charges will be made. Although such items are usually sold at cost the school reserves the right to sell these items at a profit. Profits generated are used for the benefit of the school or may be donated to other charities.

Exam fees

Where a student has been prepared for a prescribed public examination at the school then no charge will be made for the exam entry fee. Where the school has not prepared the student for the examination then a charge will be made up to the cost of the entry fee.

If a student wishes to re-sit an examination already taken, in an attempt to try and improve the grade, a charge will be made up to the cost of the entry fee.

Where the school has prepared a student for the examination and considers that for educational reasons the student should not be entered but the student's parent wishes to over-rule this, a charge will be made up to the cost of the entry fee. If the student subsequently passes the examination then the school may refund the cost.

Where a student fails, without good reason, to complete the requirements of any public examination (i.e. failure to attend or early departure) for which the school paid, then a charge will be made up to the cost of the entry fee.

Where behaviour is deemed to be a risk of disruption to others then a charge may be made for the cost of individual invigilation.

The school reserves the right to withhold exam certificates until payments are made.

Catering

The school has a catering contract. Two systems are used for payment of meals: cash loading and online payments.

Both online and cash payments are made through the school's payment systems and automatically allocated to the correct student accounts.

Students entitled to free school meals (FSM) are allocated their FSM allowance daily.

Music tuition

In accordance with the Charges for Music Tuition (England) Regulations 2007, charges will be made for vocal or instrumental tuition where the tuition is at the request of the student's parent and is not an essential part of the school's published curriculum. The charge will not exceed the cost of the provision, including the cost of the staff who provide the provision.

Instruments

It is permitted by HM Revenue & Customs for musical instruments to be purchased by the school and sold to students excluding VAT, allowing the 20% VAT saving and any trade discounts to be passed on to the student. The parent of the student will be invoiced for the cost of the instrument, net of VAT. Once settled, the school will order and pay for the instrument from the supplier.

Damage/Loss to Property

A charge will be made in respect of wilful damage, neglect or loss of School property (including premises, furniture, equipment, books and materials). The charge may be the cost of replacement or repair, or such lower cost as the Business & Finance Manager may decide.

A charge will be made in respect of wilful damage, neglect or loss of property (including premises, furniture, equipment, books or materials) belonging to a third party, where the cost has been recharged to the school. The charge may be the cost of replacement or repair, or such lower cost as the Business & Finance Manager may decide.

VAT

The school is VAT registered and as such VAT will be charged on any goods, services and activities provided to students where it is applicable.

Assuming certain criteria set out by HM Revenue & Customs is met then the majority of goods, services and activities supplied to students fall outside the scope of VAT, even on goods, services and activities that would normally be subject to VAT.

Where educational goods, services and activities are sold at a profit then VAT will be charged where applicable.

Where non-educational goods, services and activities are sold to students, even at cost, then VAT will be charged where applicable.

OTHER CHARGES

Photography

School portrait photographs are provided by a third party and parents purchase these directly from the third party. The school receives a commission on these sales.

Events, shows and productions

The school may make a charge for entrance to events, shows and productions run by the school and its students. Profits generated are used for the benefit of the school and may also be donated to other charities.

Fundraising

The school may hold fundraising events and activities which may seek to raise funds from students, parents or the general public. Fundraising may be for the benefit of the school or on behalf of other charities.

Miscellaneous services

The school may charge for miscellaneous services up to the cost of providing such services.

Remissions

The Governing Body may remit, in full or in part, charges in respect of a student if considered reasonable in the circumstances.

The Governing Body may decide not to make a charge in respect of a particular activity if considered reasonable in the circumstances.

Charges may not be made where a student is in receipt (or registered for) of free school meals. Parents in receipt of the following benefit may be eligible for exemption or reduced charges:

- Income Support
- Income-based Jobseekers Allowance
- Income-related Employment and Support Allowance
- Support under Part V1 of the immigration and Asylum Act 1999
- The guaranteed element of State Pension Credit
- Child Tax Credit at the current published rates
- Working Tax Credit run-on – paid for 4 weeks after you stop qualifying for Working Tax Credit.
- Universal Credit

In other circumstances, there may be cases of family hardship which make it difficult for students

to take part in particular activities for which a charge is made. When arranging a chargeable activity the Governing Body will invite parents to apply in confidence for the remission of charges in part or in full. Authorisation of the remission will be made by Headteacher/Headteacher in consultation with Chair of Governors.

The pupil premium criteria will operate alongside this charging and remissions policy.

Further guidance is available from the Education Reform Act 1988: Charges for School Activities and Charging for Educational Activities in Lancashire Schools.
