Dear Parent/Guardian

Throughout the Summer Term the PE department are pleased to offer a variety of after school extra-curricular activities. Extra-curricular activities will take place between 3.15pm – 4.15pm, in year group bubbles, with year group bubble equipment starting week commencing Monday 14 June.

If your child does not have PE on the day that they would like to participate in an extra-curricular activity they must bring their PE kit with them and change at the end of the day in the Sports Hall changing rooms.

Throughout the Summer Term, students will be requested to attend catch-up sessions after school from other subject areas. If your child is requested to attend a catch-up session they must prioritise this over attending PE extra-curricular activities.

Please see the below timetable of activities:
