Dear Parent/Guardian

I would like to inform you of two important upcoming dates for Year 11 and Year 10 parents in January.

Firstly, on the evening of Wednesday 8 January 2020 there will be a one hour information session about post 16 opportunities. At this evening there will be a representative from Runshaw College and also ASK apprenticeships, as well as Inspire, the school careers agency. These staff will talk about the different routes available and then offer bespoke guidance to anybody that wants to ask questions afterwards. I would urge parents to attend this event to get as much information as they can about the post 16 process. The talk will begin at 6pm.

Following that, at 6pm on Thursday 23 January 2020, there will be a talk from the revision agency we use in school, Elevate. This is a re-arranged talk that should have occurred in October. Current Year 11 parents had the option of this talk last year and some accepted, but I would suggest in some cases it's even more relevant now to Year 11 parents following the mock period. For Year 10 parents it is also a perfect time to access some external support – to help you to begin to see how you can support your young person as they prepare for the GCSEs, either this summer or next.

Could you please complete the reply slip below so that we can co-ordinate numbers for these events, **and return it by sending it as a 'reply email'**, by no later than the end of Wednesday 18 December 2019.

Yours sincerely

Mr A Duckworth
