

# Bishop Rawstorne Church of England Academy

5 February 2021

Dear Parent/Guardian

We are writing to promote an Art log competition for this year's Science summer school event and more information is to be found in the flyer attached. This competition is open to students from Years 7 to 10. Bishop Rawstorne and other local schools are working with West Lancashire College to run a Science summer school where Prof. Brian Cox will be our guest. We are running a logo competition for this event in 10 local schools including Bishop Rawstorne. Students are asked to design a logo and name for the event. For example, "North Star" was the name for Rotherham's event two years ago. All entries need to be submitted to my email address by Monday, 22 February 2021. Please send a photo of the design if hand drawn.

### **Design a LOGO and Event Name**

Brief: Design a logo and Event Name on A4 paper for the West Lancashire Science Summer School 2021 that represents and showcases why we want to be "The best place to study science in the World".

The winner will have their logo produced and used for the event and receive a £50 Amazon Voucher!

### Timescales

- Inter-schools competition deadline-Monday 22 February 2021
- Schools judging and select 3 winners-Tuesday 23 February 2021
- Winners are presented to Science Summer School Steering Group - Wednesday 24 February 2021 and Judging to take place.

Many thanks

Mrs L Petts
