

Bishop Rawstorne Church of England Academy

28 June 2022

Dear Parent/Guardian

RE: Year 8 World Views and Faiths Day - Monday 11 July 2022

Year 8 will be taking part in a World Views and Faiths Day on Monday 11 July 2022. A variety of faith representatives and experts will visit school to deliver short and engaging workshops. The workshops they will attend are covering:

- Christianity
- Judaism
- Islam
- Sikhism
- Humanism

Students will be able to taste Jewish foods, have a go at Arabic calligraphy and explore Sikh artefacts, amongst other activities. Students will also be invited to take part in prayer stations and a eucharist should they wish to.

We hope this will be a valuable day for students and allow them to explore diversity, spirituality and develop understanding of the different faiths and world views that influence the UK today. There will be opportunities for students to ask questions on the day.

Please note the food tasting will include challah bread and grape juice. The allergens are wheat, gluten, sesame seeds, egg, grapes and sodium metabisulphite.

Please get in touch if you have any queries.

Thank you in advance for your support.

Yours sincerely

Miss C Robinson
